GENERAL SERVICES ADMINISTRATION

41 CFR Part 101-2

[FPMR Amendment A-56]

RIN 3090-AH32

Payments to GSA for Supplies and Services Furnished Government Agencies

AGENCY: Office of Governmentwide
Policy.

ACTION: Final rule.

SUMMARY: The General Services Administration (GSA) is removing Federal Property Management Regulations (FPMR) coverage on Payments to GSA for Supplies and Services Furnished Government Agencies. Adequate coverage exists in the Department of Treasury's regulations. This action eliminates unnecessary coverage in the FPMR.

EFFECTIVE DATE: This final rule is effective October 27, 2000.

FOR FURTHER INFORMATION CONTACT: Michael Kosar, 202-501-2029. E-mail: mike.kosar@gsa.gov.

SUPPLEMENTARY INFORMATION:

A. Background

In an effort to improve GSA's external directives system, GSA has undertaken a review of the Federal Property Management Regulations (FPMR). The FPMR prescribes Governmentwide regulations for real property, personal property, and other programs and activities within GSA's regulatory authority. As part of this review, GSA is removing FPMR 101-2 because it is procedural rather than regulatory. Current guidance issued by the Department of Treasury may be found in the Treasury Financial Manual (TFM) Vol. 1, Part 6, Chapter 4000.

B. Executive Order 12866

The General Services Administration has determined that this final rule is not a significant regulatory action for the purposes of Executive Order 12866.

C. Regulatory Flexibility Act

A regulatory flexibility analysis is not required under the Regulatory Flexibility Act, 4 U.S.C. 601, *et seq.*, because there is no requirement that the

rule be published in the **Federal Register** for notice and comment.

D. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because this final rule does not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget under 44 U.S.C. 501 *et seq.*

E. Small Business Regulatory Enforcement Fairness Act

This final rule is also exempt from congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel.

PART 101-2—[REMOVED]

Accordingly, under the authority of Sec. 205(c), 63 Stat. 390 (40 U.S.C. 496(c)), amend 41 CFR Chapter 101 by removing part 101-2.

Dated: October 23, 2000.

FEDERAL EMERGENCY MANAGEMENT AGENCY

44 CFR Part 65

[Docket No. FEMA-B-7400]

Changes in Flood Elevation Determinations

AGENCY: Federal Emergency
Management Agency (FEMA).

ACTION: Interim rule.

SUMMARY: This interim rule lists communities where modification of the Base (1-percent-annual-chance) Flood Elevations is appropriate because of new scientific or technical data. New flood insurance premium rates will be calculated from the modified Base Flood Elevations for new buildings and their contents.

DATES: These modified Base Flood Elevations are currently in effect on the dates listed in the table below and revise the Flood Insurance Rate Maps in effect prior to this determination for each listed community.

From the date of the second publication of these changes in a newspaper of local circulation, any person has ninety (90) days in which to

request through the community that the Associate Director for Mitigation reconsider the changes. The modified elevations may be changed during the 90-day period.

ADDRESSES: The modified Base Flood Elevations for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

FOR FURTHER INFORMATION CONTACT: Matthew B. Miller, P.E., Chief, Hazards Study Branch, Mitigation Directorate, 500 C Street SW., Washington, DC 20472, (202) 646-3461, or (e-mail) matt.miller@fema.gov.

SUPPLEMENTARY INFORMATION: The modified Base Flood Elevations are not listed for each community in this interim rule. However, the address of the Chief Executive Officer of the community where the modified Base Flood Elevation determinations are available for inspection is provided.

Any request for reconsideration must be based on knowledge of changed conditions or new scientific or technical data.

The modifications are made pursuant to Section 201 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR Part 65.

For rating purposes, the currently effective community number is shown and must be used for all new policies and renewals.

The modified Base Flood Elevations are the basis for the floodplain management measures that the community is required to either adopt or to show evidence of being already in effect in order to qualify or to remain qualified for participation in the National Flood Insurance Program (NFIP).

These modified elevations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities.

The changes in Base Flood Elevations are in accordance with 44 CFR 65.4.

National Environmental Policy Act

This rule is categorically excluded from the requirements of 44 CFR Part 10, Environmental Consideration. No

environmental impact assessment has been prepared.

Regulatory Flexibility Act

The Associate Director for Mitigation certifies that this rule is exempt from the requirements of the Regulatory Flexibility Act because modified Base Flood Elevations are required by the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are required to maintain community eligibility in the NFIP. No regulatory flexibility analysis has been prepared.

Regulatory Classification

This interim rule is not a significant regulatory action under the criteria of Section 3(f) of Executive Order 12866 of

September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 12612, Federalism

This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, dated October 26, 1987.

Executive Order 12778, Civil Justice Reform

This rule meets the applicable standards of Section 2(b)(2) of Executive Order 12778.

List of Subjects in 44 CFR Part 65
