

The Type of Issue Anticipated: Resolution of the occupancy trespass is the only issue to be addressed.

Criteria to Guide Development of the Planning Action: The planning criteria were identified to help guide the resolution of the issue. Public land will be considered for disposal in the following priority:

1. Public land which will resolve unintentional unauthorized occupancy.
2. Public land where size, location, or other physical characteristics make them difficult or uneconomical for BLM to manage.

As new information becomes available during the planning process or through public participation, additional criteria may be developed for future guidance of this planning effort.

The Disciplines to be Represented on the Interdisciplinary Team: The planning amendment/environmental assessment will be prepared by an interdisciplinary team consisting of a realty specialist, environmental coordinator, wildlife biologist, geologist, archaeologist, and a rangeland management specialist.

The Kind and Extent of Public Participation Activities to be Provided: A legal notice about the proposed planning action will be placed in the local newspaper. This notice will be sent to the Governor of New Mexico, San Juan County Commissioners, Resource Advisory Council, adjacent landowners, potentially affected members of the public. Depending on the nature and degree of interest expressed during the 30 days following publication of this notice, meetings may be scheduled or additional comments may be solicited.

The Location and Availability of Documents Relevant to the Planning Process: Pertinent information is available at the BLM, Farmington Field Office, 1235 La Plata, Suite A, Farmington, NM 87401.

Dated: October 24, 2000.

M.J. Chavez,

State Director.

DEPARTMENT OF JUSTICE

Immigration and Naturalization Service

Agency Information Collection Activities: Comment Request

ACTION: Notice of Information Collection Under Review; Nonimmigrant Checkout Letter.

The Department of Justice, Immigration and Naturalization Service has submitted the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. The

proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until December 29, 2000.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection: Extension of currently approved collection.*

(2) *Title of the Form/Collection: Nonimmigrant Checkout Letter.*

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection; Form G-146. Detention and Deportation Division, Immigration and Naturalization Service.*

(4) *Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Individuals and Households. This form is used in making inquiries of persons in the United States or abroad concerning the whereabouts of aliens, and to request departure information by the INS when initial investigation to locate the alien or verify his or her departure is unsuccessful.*

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: 20,000 responses at 10 minutes (.166) per response.*

(6) *An estimate of the total public burden (in hours) associated with the collection: 3,320 annual burden hours.*

If you have additional comments, suggestions, or need a copy of the proposed information collection instrument with instructions, or
