

The Type of Issue Anticipated: Resolution of the occupancy trespass is the only issue to be addressed.

Criteria to Guide Development of the Planning Action: The planning criteria were identified to help guide the resolution of the issue. Public land will be considered for disposal in the following priority:

1. Public land which will resolve unintentional unauthorized occupancy.
2. Public land where size, location, or other physical characteristics make them difficult or uneconomical for BLM to manage.

As new information becomes available during the planning process or through public participation, additional criteria may be developed for future guidance of this planning effort.

The Disciplines to be Represented on the Interdisciplinary Team: The planning amendment/environmental assessment will be prepared by an interdisciplinary team consisting of a realty specialist, environmental coordinator, wildlife biologist, geologist, archaeologist, and a rangeland management specialist.

The Kind and Extent of Public Participation Activities to be Provided: A legal notice about the proposed planning action will be placed in the local newspaper. This notice will be sent to the Governor of New Mexico, San Juan County Commissioners, Resource Advisory Council, adjacent landowners, potentially affected members of the public. Depending on the nature and degree of interest expressed during the 30 days following publication of this notice, meetings may be scheduled or additional comments may be solicited.

The Location and Availability of Documents Relevant to the Planning Process: Pertinent information is available at the BLM, Farmington Field Office, 1235 La Plata, Suite A, Farmington, NM 87401.

Dated: October 24, 2000.

M.J. Chavez,

State Director.
