Analysis of Comments Received

All issues raised in the substantive responses and rebuttal briefs by parties to this sunset review are addressed in the "Issues and Decision Memorandum" ("Decision Memo") from Jeffrey A. May, Director, Office of Policy, Import Administration, to Troy H. Cribb, Acting Assistant Secretary for Import Administration, dated October 23, 2000, which is hereby adopted and incorporated by reference into this notice. The issues discussed in the attached Decision Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the margin likely to prevail were the order revoked. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum which is on file in the Central Records Unit, room B-099, of the main Commerce building.

In addition, a complete version of the Decision Memo can be accessed directly on the Web at www.ita.doc.gov. The paper copy and electronic version of the Decision Memo are identical in content.

Preliminary Results of Review

We preliminarily determine that revocation of the antidumping duty order on OCTG from Mexico would be likely to lead to continuation or recurrence of dumping at the following percentage weighted-average margins:

Manufacturers/exporters	Margin (percent)
TAMSA	21.70
Hylsa	21.70
All Others	21.70

Statute and Regulations

This review is being conducted pursuant to sections 751(c) and 752 of the Act. The Department's procedures for the conduct of sunset reviews are set forth in *Procedures for Conducting Five-Year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13516 (March 20, 1998) ("Sunset Regulations") and in 19 CFR part 351 (2000) in general. Guidance on methodological or analytical issues relevant to the Department's conduct of sunset reviews is set forth in the Department's Policy Bulletin 98.3—*Policies Regarding the Conduct of Five-Year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders; Policy Bulletin*, 63 FR 18871 (April 16, 1998) ("Sunset Policy Bulletin").

Background

On July 3, 2000, the Department initiated a sunset review of the countervailing duty order on oil country tubular goods from Italy (65 FR 41053), pursuant to section 751(c) of the Tariff Act of 1930, as amended, ("the Act"). The Department received a notice of intent to participate on behalf of U.S. Steel Group, a unit of USX Corporation, IPSCO Tubulars, Inc., Lone Star Steel Company, Maverick Tube Corporation, Newport Steel and Koppel Steel Divisions of NS Group, Grant-Prideco, and North Star Steel Ohio (collectively, "domestic interested parties"), within the applicable deadline (July 18, 2000) specified in section 351.218(d)(1)(i) of the *Sunset Regulations*. Domestic interested parties claimed interested-party status under section 771(9)(C) of the Act, as U.S. manufacturers of the domestic like product. U.S. Steel Group, IPSCO Steel, Inc., Maverick Tube Corporation, Koppel Steel Corporation, and North Star Steel Ohio were petitioners in the investigation and have been involved in this proceeding since its inception.

On August 1, 2000, we received a response from the European Union Delegation of the European Commission ("EC") expressing its willingness to participate in this review as the authority responsible for defending the interest of the Member States of the European Union ("EU") (see August 1, 2000, Response of the EC at 3). On August 1, 2000, we received a response from the Government of Italy ("GOI") expressing its willingness to participate in this review as the authority

responsible for defending the interests of the Italian steel industry. The GOI and EC note that they have in the past participated in this proceeding (see August 1, 2000, Response of the EC at 3, and the August 1, 2000, Response of the GOI at 2).

On August 2, 2000, we received complete substantive responses from domestic interested parties, within the 30-day deadline specified in the *Sunset Regulations* under section 351.218(d)(3)(i), and a complete substantive response from Dalmine S.p.A. ("Dalmine"), a foreign producer and exporter of the subject merchandise, and a respondent interested party under section 771(9)(A) of the Act.

We received rebuttal comments from domestic interested parties and Dalmine, on August 7, 2000. Pursuant to 19 CFR 351.218 (e)(2)(i), the Department determined to conduct a full (240-day) sunset review of this order.¹
