RUS encourages early submission of grant applications to determine whether all required items specified in 1703.125 are clearly in form, identifiable, and complete. RUS will examine, provide comment, and return applications that include items that would disqualify them from further consideration for modification if they are submitted by Friday, February 2, 2001. All applications for grants must be postmarked no later than Friday, March 2, 2001, to be eligible for FY 2001 grant funding. Each application will be reviewed for completeness in accordance with 7 CFR part 1703, subparts D, E, F, and G. Ineligible applications will be returned within 15 working days of receipt.

Notice is hereby given that under 7 CFR 1703.124, 1703.133, and 1703.143, RUS has determined the maximum amount of an application for a grant that will be considered for funding in FY 2001 as \$500,000. The maximum amount for a loan, generally, that will be considered for funding in FY 2001 is \$10 million. However, RUS may fund a project greater than \$10 million subject to the project's feasibility and the availability of loan funds.

Applications for financial assistance must be submitted in accordance with 7 CFR part 1703, subparts D, E, F, and G, which establish the policies and
