RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments Are Invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarify of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and Purpose of Information Collection:

Public Service Pension Questionnaire; OMB 3220-0136.

Public Law 95-216 amended the Social Security Act of 1977 by providing, in part, that spouse or survivor benefits may be reduced when the beneficiary is in receipt of a pension based on employment with a Federal, State, or local government unit. Initially, the reduction was equal to the full amount of the government pension. Public Law 98-21, changed the reduction to two-thirds of the amount of the government pension. Sections 4(a)(1) and 4(f)(1) of the Railroad Retirement Act (RRA) provides that an spouse or survivor annuity should be equal in amount to what the annuitant would receive if entitled to a like benefit from the Social Security Administration. Therefore, the public service pension (PSP) reduction provision applies to RRA annuities.

Regulations pertaining to the collection of evidence relating to public service pensions or worker's compensation paid to spouse or survivor applicants or annuitants are

found in 20 CFR 219.64c. The RRB utilizes Form G-208, Public Service Pension Questionnaire, and Form G-212, Public Service Monitoring Questionnaire, to obtain information used to determine whether an annuity reduction is in order. Completion is voluntary. However, failure to complete the forms could result in the nonpayment of benefits. One response is requested of each respondent.

The RRB proposes to revise Form G-208 to request additional information regarding service time worked under the Federal Employee Retirement System (FERS). Additional nonburden impacting, editorial and reformatting changes, which include enhanced instructions intended to make the form easier to complete, are also proposed. The RRB also proposes minor non burden impacting editorial changes to Form G-212. The completion time for the G-208 is estimated at 15 minutes. The completion time for the G-212 is estimated at 3 minutes. The RRB estimates that approximately 1,700 Form G-208's and 1,000 Form G-212's are completed annually.

Additional Information or Comments: To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (212) 751-3363. Comments regarding the information collection should be addressed to Ronald J. Hodapp, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092. Written comments should be received within 60 days of this notice.

Chuck Mierzwa,

Clearance Officer.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 17a-2; SEC File No. 270-442; OMB Control No. 3235-0498.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information

summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 17a-12 under the Securities Exchange Act of 1934 is the reporting rule tailored specifically for OTC derivatives dealers, and Form X-17A-5IIB, the Financial and Operational Combined Uniform Single Report, is the basic document for reporting the financial and operational condition of OTC derivatives dealers.

At this point there is only one registered OTC derivatives dealer, however it is anticipated to affect approximately six (and possibly up to ten) OTC derivatives dealers within the next three years, Rule 17a-12 requires OTC derivatives dealers to file quarterly Financial and Operational Combined Uniform Single Reports (FOCUS)—Form X-17A-5IIB.¹ Rule 17a-12 also requires that OTC derivatives dealers file audited financial statements annually. The staff estimates that the average amount of time necessary to prepare and file the information required by the proposed rule is eighty hours per OTC derivatives dealer² with each spending an additional one hundred hours on the annual audit for a total of 180 hours per OTC derivatives dealer annually. Thus the staff estimates that the total number of hours necessary for six OTC derivatives dealers to comply with the requirements of Rule 17a-12 on an annual basis is 1,080 hours.³

The staff believes that financial reporting specialists will prepare the FOCUS IIB Report and supporting Schedules, compliance personnel may review the reports to assure compliance with applicable rules, and accountants will prepare the audited annual reports. The staff estimates that the hourly salary of a financial reporting specialist is \$72.40 per hour,⁴ the hourly salary of a compliance manager is \$82.50 per hour,⁵ and the hourly salary of a compliance manager is \$51.60 per hour.⁶ Based upon these numbers, the
