African Growth and Opportunity Act and Generalized System of Preferences

AGENCY: U.S. Customs Service, Department of the Treasury.

ACTION: Interim regulations; corrections.

SUMMARY: This document makes corrections to the document published in the Federal Register on October 5, 2000, as T.D. 00-67 which set forth interim amendments to the Customs Regulations primarily to implement the trade benefit provisions for sub-Saharan Africa contained in Title I of the Trade and Development Act of 2000, referred to as the African Growth and Opportunity Act.

DATES: These corrections are effective October 1, 2000; written comments must be submitted by December 4, 2000, in the manner prescribed in T.D. 00-67.

FOR FURTHER INFORMATION CONTACT: Cynthia Reese, Office of Regulations and Rulings (202-927-1361).

SUPPLEMENTARY INFORMATION:

Background

On October 5, 2000, Customs published in the Federal Register (65 FR 59668) T.D. 00-67 to set forth interim amendments to the Customs Regulations primarily to implement the trade benefit provisions for sub-Saharan Africa contained in Title I of the Trade

and Development Act of 2000. The trade benefits under Title I, also referred to as the African Growth and Opportunity Act (the AGOA), apply to sub-Saharan African countries designated by the President and involve: the extension of duty-free treatment under the Generalized System of Preferences (GSP) to non-textile articles normally excluded from GSP duty-free treatment that are not import-sensitive; and the entry of specific textile and apparel articles free of duty and free of any quantitative limits. Those interim regulatory amendments took effect on October 1, 2000, to coincide with the effective date of the relevant statutory provisions.

This document makes the following corrections to the regulatory texts published in T.D. 00-67:

1. The definition of "assembled in one or more beneficiary countries" under § 10.212 includes a parenthetical specification of items (that is, thread, decorative embellishments, buttons, zippers, or similar components) that are not considered to be components for purposes of assembly under the text. However, Customs has reconsidered this matter and now believes that inclusion of this parenthetical limiting language, which is not mandated by the statute, was in error because in some contexts it may be inconsistent with applicable judicial precedent as regards what may be considered a component for assembly purposes. Accordingly, this parenthetical reference should be removed from the text of the definition.

2. The definition of "beneficiary country" under § 10.212 refers to a finding "by the President" that the country has satisfied the requirements of section 113 of the AGOA. However, that text does not reflect the fact that in Presidential Proclamation 7350 of October 2, 2000 (published in the Federal Register at 65 FR 59321 on October 4, 2000), which implemented the AGOA, the authority to make the finding regarding the requirements of section 113 was delegated to the United States Trade Representative. To ensure consistency with this delegation, the text of the definition should include a reference to a "designee" of the President.

3. Within § 10.213, paragraph (a)(9) requires some wording changes to conform more closely to the terms of corresponding subheading 9819.11.24 which was added to the HTSUS by the Annex to Presidential Proclamation 7350.

4. Finally, within § 10.213, in paragraph (a)(10), the words "or his designee" should be added after "the President" to cover any future

delegation of authority by the President in this context.

Corrections of Publication

Accordingly, the document published in the Federal Register as T.D. 00-67 on October 5, 2000 (65 FR 59668) is corrected as set forth below.

§ 10.212 [Corrected]

1. On page 59676, in the third column, in § 10.212, the definition of "assembled in one or more beneficiary countries" is corrected by removing the parenthetical phrase "(other than thread, decorative embellishments, buttons, zippers, or similar components)".

2. On page 59676, in the third column, in § 10.212, the definition of "beneficiary country" is corrected by adding the words "or his designee" after the words "finding by the President".

§ 10.213 [Corrected]

3. On page 59677, in the third column, in § 10.213, paragraph (a)(9) is corrected to read:

\* \* \* \* \*

(a) \* \* \*

(9) Apparel articles that are both cut (or knit-to-shape) and sewn or otherwise assembled in one or more beneficiary countries from fabrics or yarn that the President or his designee has designated in the Federal Register as not available in commercial quantities in the United States;

\* \* \* \* \*

4. On page 59677, in the third column, in § 10.213, the text of paragraph (a)(10) is corrected by adding the words "or his designee" after the words "the President".

Dated: November 3, 2000.

John P. Simpson,

Deputy Assistant Secretary of the Treasury.

RIN 1515-AC76

United States-Caribbean Basin Trade Partnership Act and Caribbean Basin Initiative

AGENCY: U.S. Customs Service, Department of the Treasury.

ACTION: Interim regulations; corrections.

**SUMMARY:** This document makes corrections to the document published in the **Federal Register** on October 5, 2000, as T.D. 00-68 which set forth interim amendments to the Customs Regulations primarily to implement the trade benefit provisions for Caribbean Basin countries contained in Title II of the Trade and Development Act of 2000, referred to as the United States-Caribbean Basin Trade Partnership Act.

**DATES:** These corrections are effective October 1, 2000; written comments must be submitted by December 4, 2000, in the manner prescribed in T.D. 00-68.

**FOR FURTHER INFORMATION CONTACT:** Cynthia Reese, Office of Regulations and Rulings (202-927-1361).

**SUPPLEMENTARY INFORMATION:**

**Background**

On October 5, 2000, Customs published in the **Federal Register** (65 FR 59650) T.D. 00-68 to set forth interim amendments to the Customs Regulations primarily to implement the trade benefit provisions for Caribbean Basin countries contained in Title II of the Trade and Development Act of 2000. The trade benefits under Title II, also referred to as the United States-Caribbean Basin Trade Partnership Act (the CBTPA), apply to Caribbean Basin countries designated by the President and involve the entry of specific textile and apparel articles free of duty and free of any quantitative restrictions, limitations, or consultation levels and the extension of NAFTA duty treatment standards to non-textile articles that are excluded from duty-free treatment under the Caribbean Basin Initiative (CBI) program. Those interim regulatory amendments took effect on October 1, 2000, to coincide with the effective date of the relevant statutory provisions.

This document rectifies some omissions and corrects some other errors published in T.D. 00-68. Two errors were in the preamble portion of the document and involved a misplacement of two numbers regarding the estimated information collection burden under the Paperwork Reduction Act. The remaining corrections set forth in this document involve the following aspects of the interim regulations:

1. The amendatory instruction for the authority citation to Part 10 should have stated that the general authority citation "is revised" (rather than "continues") to read as follows, because that general authority citation as set forth in T.D. 00-68 includes a change to reflect that General Note 20 of the Harmonized Tariff Schedule of the United States (HTSUS) was redesignated as General Note 22 in the Annex to Presidential

Proclamation 7351 of October 2, 2000 (published in the **Federal Register** at 65 FR 59329 on October 4, 2000) which implemented the CBTPA.

2. In the first sentence of § 10.221, the word "Basin" was inadvertently omitted from the title of the CBTPA.

3. The definition of "assembled in one or more CBTPA beneficiary countries" under § 10.222 includes a parenthetical specification of items (that is, thread, decorative embellishments, buttons, zippers, or similar components) that are not considered to be components for purposes of assembly under the text. However, Customs has reconsidered this matter and now believes that inclusion of this parenthetical limiting language, which is not mandated by the statute, was in error because in some contexts it may be inconsistent with applicable judicial precedent as regards what may be considered a component for assembly purposes. Accordingly, this parenthetical reference should be removed from the text of the definition.

4. The definition of "CBTPA beneficiary country" under § 10.222 refers to a beneficiary country designated by the President but does not refer to the additional statutory requirement that the President determine whether a designated beneficiary country has satisfied the requirements of 19 U.S.C. 2703(b)(4)(A)(ii) (the authority for making that determination was delegated to the United States Trade Representative (USTR) in Presidential Proclamation 7351). Since the determination regarding the requirements of 19 U.S.C. 2703(b)(4)(A)(ii) is a necessary condition of eligibility for the CBTPA trade benefits for each beneficiary country and thus operates as a condition precedent to application of the implementing regulations, the definition must be corrected to reflect this additional statutory requirement.

5. Within § 10.223, paragraph (a)(4) requires some wording changes to conform more closely to the terms of corresponding subheading 9820.11.09 which was added to the HTSUS by the Annex to Presidential Proclamation 7351.

6. Within § 10.223, paragraph (a)(8) requires some wording changes to conform more closely to the terms of corresponding subheading 9820.11.27 which was added to the HTSUS by the Annex to Presidential Proclamation 7351.

7. Within § 10.223, in paragraph (a)(9), the words "or his designee" should be added after "the President" to cover any future delegation of authority by the President in this context.

8. Within § 10.223, the words "in a CBTPA beneficiary country" need to be added after the word "assembled" in paragraph (a)(11) to reflect the wording of corresponding subheading 9820.11.21 which was added to the HTSUS by the Annex to Presidential Proclamation 7351.

9. Within § 10.223, paragraph (a)(12) describes certain knitted or crocheted apparel articles and was included to reflect the terms of subheading 9820.11.18 which was added to the HTSUS by the Annex to Presidential Proclamation 7351. The word "wholly" appears in the regulatory text before the word "assembled" but is not included in the text of the HTSUS subheading. In addition, the regulatory text includes, after the words "assembled in one or more CBTPA beneficiary countries," the words "or the United States" which do not appear in the HTSUS subheading text. Accordingly, the words "wholly" and "or the United States" must be removed from the regulatory text to ensure conformity with the HTSUS subheading text.

10. Also with regard to paragraph (a)(12) of § 10.223, appropriate and necessary references to that provision were inadvertently omitted from the following regulatory provisions:

a. In paragraph (b)(1)(i)(A) of § 10.223, which concerns the special rule for foreign findings and trimmings, the sewing thread exception at the end must include a reference to paragraph (a)(12) in addition to the reference to paragraph (a)(3) because both provisions refer to "thread formed in the United States."

b. In paragraph (b)(1)(i)(D) of § 10.223, which concerns the *de minimis* rule for fibers and yarns not wholly formed in the United States or in one or more CBTPA beneficiary countries, the exception for elastomeric yarns (which must be wholly formed in the United States) must include a reference to paragraph (a)(12) in addition to the reference to paragraphs (a)(1) through (a)(5) because all of those provisions refer to "yarns wholly formed in the United States."

c. In paragraph (b)(2) of § 10.223, which concerns the special rule for nylon filament yarn, reference is made to an article otherwise described under "paragraph (a)(1), (a)(2) or (a)(3) of this section," because those three regulatory provisions correspond to the two statutory provisions (that is, "clause (i) or (ii)" of 19 U.S.C. 2703(b)(2)(A)) referred to in the statutory nylon filament yarn provision (that is, 19 U.S.C. 2703(b)(2)(A)(vii)(IV)). It is noted that the nylon filament yarn rule is also reflected in U.S. Note 3(d) to new Subchapter XX of Chapter 98 of the

HTSUS as added by the Annex to Presidential Proclamation 7351. Since that U.S. Note 3(d) also includes a reference to HTSUS subheading 9820.11.18, a reference to paragraph (a)(12) should be added to paragraph (b)(2) of § 10.223.

d. Finally, the second sentence of paragraph (a) of § 10.225, which concerns the filing of claims for preferential treatment, refers to articles described in paragraphs (a)(1) through (a)(11) and thus requires the addition of a reference to paragraph (a)(12) to be complete.

11. In the Textile Certificate of Origin set forth under paragraph (b) of § 10.224, the reference to Caribbean yarn must be removed from block 7 because the statutory and regulatory texts do not mention Caribbean yarn, and the description of preference group D must be corrected to conform more closely to the wording of paragraph (a)(4) of § 10.223 as corrected in this document. The complete Certificate incorporating these corrections is set forth in this document.

12. As in the case of § 10.221 mentioned above, the word "Basin" was inadvertently omitted from the title of the CBTPA in the first sentence of § 10.231.

13. Finally, for the same reasons stated above in the case of § 10.222, the definition of "CBTPA beneficiary country" under § 10.232 must be corrected to reflect the additional statutory requirement under 19 U.S.C. 2703(b)(4)(A)(ii).

[CGD 07–00–107]

RIN 2115–AE46

#### Special Local Regulation; Charleston Christmas Parade of Boats, Charleston Harbor, SC

**AGENCY:** Coast Guard, DOT.

**ACTION:** Final rule.

**SUMMARY:** The Coast Guard is revising the parade route for the Charleston Christmas Parade of Boats. The change in the parade route is necessary to provide improved viewing for the spectators, to reduce the impact on commercial traffic in Charleston Harbor and to provide for the safety of life on the navigable waters during the event.

**DATES:** This rule is effective December 11, 2000.

**ADDRESSES:** Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket CGD 07–00–107 and are available for inspection or copying at Commander, Seventh Coast Guard District, 909 S.E. 1st Street, Suite 918, Miami, Florida 33131, between 9 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** QMC David Jersey Coast Guard Group Charleston, South Carolina at (843) 724–7600.

#### SUPPLEMENTARY INFORMATION:

##### Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing a NPRM is impracticable as we were only recently informed of the change in parade route, and these regulations are needed to provide for the safety of life on navigable waters during the event.

##### Background and Purpose

Each year a Christmas boat parade is held in Charleston Harbor, South Carolina. We previously issued a permanent special local regulation for this event, at 33 CFR 100.721. Under this regulation the parade route started near the Wando River Terminal, and proceeded south past the Cooper River Bridge, and then around the peninsula and up the Ashley River and ending at City Marina. The parade route is changing this year in order to provide improved viewing for the spectators, to reduce the impact on commercial traffic in Charleston Harbor and to provide for the safety of life on the navigable waters during the event. This year the parade starts in the Middle Ground, a more open area, proceeds generally north west towards Town Creek, and then southerly around the peninsula as in previous years.

##### Regulatory Evaluation

This rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not “significant” under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary. This rule is only effective for 4 hours on the day of the parade, and will expire thereafter.

##### Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not

dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule may affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in a portion of Charleston Harbor from 4:30 p.m. to 8:30 p.m. on December 9, 2000.

This special local regulation will not have a significant economic impact on a substantial number of small entities for the following reasons. This regulation will only be in effect a total of four hours on the day of the event. Further, the parade route is configured to minimize the impact on commercial traffic and vessel traffic can pass around the parade route.

##### Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. If the rule will affect your small business, organization, or government jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding this rule.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

##### Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

##### Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that Order.
