FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section

7A(b) (2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Statement of Organizations, Functions, and Delegations of Authority

Part C (Centers for Disease Control and Prevention) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (45 FR 67772-76, dated October 14, 1980, and corrected at 45 FR 69296, October 20, 1980, as amended most recently at 65 FR 58775, dated October 2, 2000) is amended to (1) restructure the functions and activities of the Office of Program Support; (2) retitle the Office of Program Support as the Office of Program Services; (3) establish the Financial Management Office with a direct organizational reporting relationship to the Office of the Director, CDC; (4) establish the Office of Management and Operations; and (5) revise the Order of Succession for the Centers for Disease Control and Prevention.

The Office of Program Support, retitled as the Office of Program Services, is being restructured to focus its mission on the program service components and functions of the Information Resources Management Office, the Management Analysis and Services Office, and the Procurement and Grants Office. The Office of Management and Operations is being established to provide centralized services for human resource management, facilities-related functions, and special initiatives. As a

result, the following organizational changes will occur:

I. Establish the *Office of Management and Operations (CAD)*.

II. Delete the following components and functions from the *Office of Program Support (CA5)* and transfer them, in their entirety, to the *Office of Management and Operations (CAD)*: *Physical Security Activity (CA5A2)*, *Real Property and Space Management Activity (CA5A3)*, *Facilities Engineering Office (CA52)*, *Design and Construction Management Office (CA55)*, *Facilities Planning and Project Management Office (CA56)*, and *Human Resources Management Office (CA57)*.

III. Delete the *Financial Management Office (CA53)* as a component of the *Office of Program Support (CA5)* and establish it as a Staff Office with a direct reporting relationship to the *Office of the Director, CDC (CA)*.

IV. Retitle the *Office of Program Support (CA5)* as the *Office of Program Services (CA5)*.

Section C-B, Organization and Functions, is hereby amended as follows:

Delete the title and functional statement for the *Office of Program Support (CA5)* and insert the following:

Office of Program Services (CA5). (1) Assists and advises in the development, coordination, direction, and assessment of program services and related management activities throughout the Centers for Disease Control and Prevention, and assures consideration of the implications of such in program decisions; (2) conducts CDC's activities in the area of management analysis, studies, and services; information technologies and systems; grants management, procurement and materiel management; publications management; library and legislative reference services; and other delegated authorities as may be assigned; (3) manages the planning, evaluation, and adoption of innovations and technologies in these areas; (4) directly and/or through the individual staff offices of the Centers for Disease Control and Prevention, provides leadership, guidance, and evaluation of administrative management services performed for or by Centers, Offices, and other components of the CDC; (5) maintains liaison with officials of the Department

of Health and Human Services on management matters; and (6) participates in the development of CDC's goals and objectives.

Delete the functional statement for the *Office of the Director (CA5A)* and insert the following:

(1) Manages, directs, and coordinates the activities of the Office of Program Services (OPS); (2) provides the CDC Deputy Director for Program Management and other key officials leadership, guidance, and evaluation of program service and information technology management services performed for or by Centers/Institute/Offices; (3) maintains liaison with officials of HHS on program service and information management matters; and (4) participates in the development of CDC's goals and objectives.

After the functional statement for the *Office of the Director (CAB1)*, *Office of Global Health (CAB)*, insert the following:

Financial Management Office (CAC).

(1) Provides leadership and coordination in the development and administration of CDC's financial management policies; (2) develops budget submissions for CDC; (3) collaborates with CDC's Office of Program Planning and Evaluation in the development and implementation of long-range program and financing plans; (4) participates in budget reviews and hearings; (5) manages CDC's system of internal budgetary planning and control of funds; (6) develops and implements CDC-wide budgetary, accounting, and fiscal systems and procedures; (7) conducts CDC-wide manpower management (including productivity measurement) activities; provides accounting and auditing services; (8) prepares financial reports; (10) serves as the focal point for domestic and international travel policy, procedures and interpretation; (11) provides legislation reference services; (12) plans, directs, and conducts internal quality assurance reviews; (13) analyzes data and makes recommendations to assure effective safeguards are in place to prevent fraud, waste and abuse; (14) assists in identifying or conducting special financial management training programs; and (15) maintains liaison with the Office of the Secretary, Department of Health and Human
