

each project, in relation to that project's determined fish and wildlife values and the program priority objectives.

c. *Planning Considerations.* The administering agency should encourage the consideration of fish and wildlife values in all reclamation activities, including those whose primary purposes for reclamation are related to public health, safety, or general welfare. If fish and wildlife values are determined to be among the goals of the reclamation efforts, the administering agency should incorporate them into the reclamation plan.

d. *Installing and Maintaining Established Fish and Wildlife Habitat Values.* The administering agency should insure that all fish and wildlife measures contained in the selected plan are implemented and should encourage the landowner(s) to maintain them at or above the planned level.

#### 10. Air Quality

a. *Air Quality Standards.* All reclamation activities should be conducted in accordance with applicable local, State, Tribal, or Federal air quality standards.

b. *Coordination Requirements.* Local, State, Tribal, or Federal air quality officials should be contacted prior to reclamation planning activities for requirements concerning air quality permit procedures, applicable standards, and possible control measures.

c. *Air Quality Degradation and Improvement.* Long-term air quality improvements which will result from reclamation should have priority over possible short-term air quality degradation caused by reclamation construction.

### Notice of Lodging of Consent Decree Pursuant To the Comprehensive Environmental Response, Compensation, and Liability Act

Under Section 122(d) of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9622(d), and 28 CFR 50.7, notice is hereby given that on October 10, 2000, a proposed Partial Consent Decree ("Decree") in two consolidated cases, *United States v. Allied Battery Co.*, Civil No. CV-98-N-0446-S, and *United States v. CSX Transportation, Inc.*, Civil No. CV-98-N-2561, was lodged with the United States District Court for the Northern District of Alabama. In this action, the United States seeks recovery of its response costs incurred by EPA in cleaning up contaminated soil at the Carlie Lee Superfund Site, a former battery cracking operation located in Tarrant City, Alabama, near Birmingham. Under this Decree, four settling defendants—Allied Battery Co., Econo Battery Services, Fairfield Iron & Metals, Inc. and Joseph J. McCleney, Jr.—have agreed to pay separate amounts, collectively totaling \$36,000, in partial reimbursement of the United States' response costs.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments concerning the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources

Division, U.S. Department of Justice, P.O. Box 7611, Washington, DC, 20044-7611, and should refer to *United States v. Allied Battery Co.* D.J. Ref. 90-11-3-1758, and *United States v. CSX Transportation, Inc.*, D.J. Ref. 90-11-3-1758/1.

The proposed Consent Decree may be examined at the Office of the United States Attorney for the Northern District of Alabama, 200 Robert Vance Federal Bldg., 1800 5th Ave. N., Birmingham, Alabama; and (2) the U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street, SW., Atlanta, Georgia. A copy of the Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611. In requesting a copy, please enclose a check in the amount of \$6.25 (25 cents per page reproduction cost) payable to the Consent Decree Library.

**Walker B. Smith,**

*Deputy Chief, Environmental Enforcement Section, Environment & Natural Resources Division.*
