BILLING CODE 4160-01-F

DEPARTMENT OF JUSTICE
Parole Commission
28 CFR Part 2
Offenders Serving Terms of Supervised Release Imposed by the Superior Court of the District of Columbia
AGENCY: United States Parole Commission, Justice.

ACTION: Interim rule with request for comments.

SUMMARY: The U.S. Parole Commission is publishing interim rules to govern the supervision of released prisoners who are serving terms of supervised release imposed by the Superior Court of the District of Columbia. The Commission has assumed this function pursuant to the National Capital Revitalization and Self-Government Improvement Act of 1997. Under that Act, an offender who is convicted of a crime under the District of Columbia Code that was committed on or after August 5, 2000, will receive a term of supervised release to follow the completion of the offender's term of imprisonment. Because parole is abolished for these offenders, supervised release will replace parole as the means of providing them with post-imprisonment supervision and treatment in order to minimize their chances of recidivism and protect the public safety.

DATES: Effective Date: December 26, 2000. Comments must be received by January 30, 2001.

ADDRESSES: Send comments to office of General Counsel, U.S. Parole Commission, 5550 Friendship Blvd., Chevy Chase, Maryland 20815.

FOR FURTHER INFORMATION CONTACT: Pamela A. Posch, Office of the General Counsel, U.S. Parole Commission, 5550 Friendship Blvd., Chevy Chase, Maryland 20815, telephone (301) 492-5959.

SUPPLEMENTARY INFORMATION: Under the National Capital Revitalization and Self-Government Improvement Act of 1977, the District of Columbia was required to amend the District of Columbia Code in order to accomplish major changes in sentencing for offenses committed on or after August 5, 2000. Among those changes was a requirement that parole be abolished for many offenses, and replaced by terms of supervised release to be imposed at the time of sentencing and served following release from imprisonment. The District of Columbia carried out these requirements through the Sentencing Reform Amendment Act
