(d) Section 69.104(l) requires local telephone carriers to calculate for NECA their projected revenue requirements for the lifeline assistance program until December 31, 1997. (e) Section 69.605 requires carriers who are participating in the pool to report access revenues and cost data so that NECA may compute monthly pool revenue distributions. The information is used to compute charges in tariffs for access service (or origination and termination) and to compute revenue pool distributions. Neither process could be implemented without the information. Obligation to respond: Required to obtain or retain benefits.
