ENVIRONMENTAL PROTECTION AGENCY

[FRL-6908-2]

Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of programs and activities receiving financial assistance from the Environmental Protection Agency that are covered by Title IX of the Education Amendments of 1972, as amended.

SUMMARY: In accordance with subpart F of the final common rule for the enforcement of Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681, *et seq.* ("Title IX") this notice lists those programs and activities that receive financial assistance from the U.S. EPA and are covered by Title IX. Title IX prohibits recipients of Federal financial assistance from discriminating on the basis of sex in education programs or activities. Subpart F requires each Federal agency that awards Federal financial assistance to publish in the **Federal Register** a notice of the programs covered by the Title IX regulations within sixty (60) days after the effective date (September 29, 2000) of the final common rule. The final common rule for the enforcement of Title IX was published in the **Federal Register** by twenty (20) Federal agencies, including the EPA, on August 30, 2000, (65 FR 52857-52895).

EFFECTIVE DATE: November 27, 2000.

ADDRESSES: Address all comments concerning this notice to U.S. Environmental Protection Agency, Office of Civil Rights, Mail Code 1201A, 1200 Pennsylvania Avenue, NW, Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT: Ann E. Goode, Director, Office of Civil Rights, U.S. Environmental Protection Agency, Mail Code 1201A, 1200 Pennsylvania, Ave., NW, Washington, D.C. 20460. Telephone: (202) 564-7272 (voice), (202) 501-1822 (TDD). Facsimile: (202) 501-1836.

SUPPLEMENTARY INFORMATION: Title IX prohibits recipients of Federal financial assistance from discriminating on the basis of sex in educational programs or activities. Specifically, the statute states that "[n]o person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance," with specific exceptions for various entities, programs, and activities. 20 U.S.C. 1681(a). This statute was modeled after Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d *et seq.*, which prohibits discrimination on the basis of race, color, and national origin in all programs or activities that receive Federal financial assistance. The goal of Title IX is to ensure that Federal funds are not utilized for and do not support sex-based discrimination, and that individuals have equal opportunities, without regard to sex, to pursue, engage or participate in, and benefit from academic, extracurricular, research, occupational training, employment, or other educational programs or activities. For example (and without limitation), subject to exceptions described in these Title IX regulations, Title IX prohibits a recipient from discriminating on the basis of sex in: student admissions, scholarship awards and tuition assistance, recruitment of students and employees, the provision of courses and other academic offerings, the provision of and participation in athletics and extracurricular activities, and all aspects of employment, including, but not limited to, selection, hiring, compensation, benefits, job assignments and classification, promotions, demotions, tenure, training, transfers, leave, layoffs, and termination. Of course, Title IX prohibits discrimination on the basis of sex in the operation of, and the provision or denial of benefits by, education programs conducted by noneducational institutions, including, but not limited to, prisons, museums, job training institutes, and for profit and nonprofit organizations.
