

The proposed project area for the Klamath River in Oregon is @11 miles long from the John C. Boyle Dam to the OR/CA State Line and encompasses @4960 acres. The California portion of the project is from the OR/CA State Line to the slack water of Copco Reservoir in California, a distance of @10 miles and encompasses @4200 acres.

The proposed project is within Klamath County, Oregon and Siskiyou County, California. The proposed project is approximately 12–25 miles south west of Klamath Falls, Oregon beginning at the John C. Boyle Dam.

The BLM/Klamath Falls Resource Area, 2795 Anderson Avenue, Bldg. 25, Klamath Falls, OR 97603, (541) 883–6916 will be the lead agency in preparation of documents. Future documents will be available from this address. Related documents include the Final Eligibility and Suitability Report for the Upper Klamath Wild and Scenic River Study (1990) (Department of the Interior). Copies of this document are available from the Klamath Falls Resource Area office. Another related document is the Klamath Wild and Scenic River Eligibility Report and Environmental Assessment (1994) (National Park Service, Pacific Northwest Region). Copies of this document are available at the National Park Service, Northwest Regional Office, 909 First Avenue, Seattle, WA 98104–1060.

The interdisciplinary team will be made up of a team leader, wildlife, fisheries, botany, archaeology, recreation, hydrology, and planning specialists. An Interagency Review Committee comprised of representatives from county, state, and federal agencies will ensure the project complies with regulatory processes in California and Oregon. The Upper Basin Subcommittee of the Klamath Provincial Advisory Committee will assist in the gathering of information from private river users, local private landowners and other interested parties to include in the interdisciplinary analysis.

The Oregon Parks and Recreation Department is a cooperative agency in the preparation of this document. Other cooperating agencies are the BLM/Redding Field Office in California. The proposed project is for the BLM/Klamath Falls Resource Area to prepare an ACEC/River Management Plan and Environmental Impact Statement for the Klamath River project area. For this River Management Plan and EIS, the State of Oregon will prepare a chapter in the EIS document that will be the management plan for the State scenic waterway and the scenic river.

Comments, including names and addresses of respondents, will be available for public review at the Klamath Falls Resource Area office during regular business hours (8 a.m. to 5 p.m., M–F, except holidays) and may be published as part of the EIS or other related documents. Individuals may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this promptly at the beginning of your written comment. Such request will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

If this management direction is approved, one or more of the alternatives would amend the Klamath Falls Resource Area Resource Management Plan (June 1995) and the Redding Resource Management Plan (June 1993). If the proposed direction amends the RMP plans in both California and Oregon, Bureau of Land Management regulations and associated manuals and handbooks for land use planning would apply.

Sincerely,

**Teresa A. Raml,**

*Manager, Klamath Falls Resource Area.*

### Bureau of Land Management

[NV–020–1220–XQ]

#### **Sierra Front-Northwestern Great Basin Resource Advisory Council—Notice of Meeting—Agenda Amendment, Nevada**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Amend the **Federal Register** Notice, published November 1, 2000 for the Special Resource Advisory Council Meeting—Black Rock Desert Management Plan, to include discussion of the Southern Nevada Public Lands Management Act acquisition nominations.

**SUMMARY:** In accordance with the Federal Land Policy and Management Act and the Federal Advisory Committee Act of 1972 (FACA), a Department of the Interior, Bureau of Land Management (BLM) Resource Advisory Council meeting will be held

as indicated below. Topics for discussion include the review of public comments received on the Black Rock Desert Management Plan, and the time line proposed for completion of the final management plan and environmental impact statement. The second round of Southern Nevada Public Lands Management Act acquisition nominations will also be discussed. This meeting is open to the public. The public comment period for the Black Rock Desert Management Plan will begin at 11 a.m. The public comment period for the Southern Nevada Public Management Act will begin at 3 p.m. The public may present written comments to the Council. Individuals who plan to attend and need further information about the meeting, should contact Les Boni at the Winnemucca Field Office, BLM, 5100 E. Winnemucca Blvd., Reno, Nevada 89445, or by telephone at (775) 623–1500.

**LOCATION, DATE AND TIME:** The Council will meet on Monday, December 4, 2000, beginning at 9 a.m. and may continue into the evening, at the Fernley Town Complex, 595 Silver Lace Blvd., Fernley, Nevada.

**FOR FURTHER INFORMATION CONTACT:** Les Boni, Assistant Field Manager Nonrenewable Resources, Winnemucca Field Office, 5100 E. Winnemucca Blvd., Winnemucca, Nevada 89445, telephone (775) 623–1500.

Dated: November 12, 2000.

### Bureau of Land Management

[CO–200–1430–EQ]

#### **Notice of Realty Action—Lake County**

**AGENCY:** Bureau of Land Management, Department of Interior.

**ACTION:** Notice of Realty Action, Federal Land Policy and Management Act Section 302 Lease, in Lake County, Colorado.

**SUMMARY:** All public land within the City of Leadville, Colorado is available for lease under Section 302 of the Federal Land Policy and Management Act of 1976 as amended, and the regulations thereunder 43 CFR part 2920 for authorization of historic commercial or residential use. Owners of qualified improvements may make application and after analysis they may be offered a 20-year lease to allow continued

Public land use. They will be required to pay an annual rental based on a fair market appraisal.

**DATES:** Interested parties may comment on this action on or before Jan. 5, 2001.

**ADDRESSES:** Field Office Manager, Bureau of Land Management, 3170 East Main St., Canon City, CO 81212.

**FOR FURTHER INFORMATION CONTACT:**

David Hallock, BLM Realty Specialist, at the above address, e-mail dave\_hallock@CO.BLM.gov, or phone: (719) 269-8536.

**SUPPLEMENTARY INFORMATION:** Typical qualified parcels are isolated remnants of Public land resulting from the patenting of mining claims (private land) that entirely surround the parcel. Additionally, the parcel is now overlapped by city lots and the parcel was developed prior to the Federal Land Policy and Management Act of 1976 and has been historically and unintentionally used for either commercial or residential purposes.

### National Park Service

#### Concession Contract Negotiations

**AGENCY:** National Park Service.

**ACTION:** Public notice.

**SUMMARY:** Public notice is hereby given that the National Park Service proposes to award an extension of an existing concession contract to the current concessioner authorizing the continued operation of Nauset Knoll Motor Lodge facilities and services for the public at Cape Cod National Seashore, Massachusetts for a term of one year from January 1, 2001 through December 31, 2001.

**EFFECTIVE DATE:** December 27, 2000.

**ADDRESSES:** National Park Service, Concession Management Program, Boston Support Office, 15 State Street, Boston, MA 02109-3572, Telephone (617) 223-5209.

**SUPPLEMENTARY INFORMATION:** This contract extension is being awarded to The Benz Corporation, Orleans, Massachusetts. It is necessary to award the contract extension in order to avoid interruption of visitor services.

This action is issued pursuant to 36 CFR part 51.23. This is not a request for proposals and no prospectus is being issued. Park planning documents call

for the future conversion of the Nauset Knoll Motor Lodge to Government use.

Dated: October 30, 2000.

**Chrysendra L. Walter,**

*Acting Regional Director, Northeast Region.*

### National Park Service

#### Final Environmental Impact Statement, Anacapa Island Restoration Plan, Channel Islands National Park, Ventura County, California; Notice of Approval of Record of Decision

**SUMMARY:** (Pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969 (Pub. L. 91-190, as amended) and the regulations promulgated by the Council on Environmental Quality (40 CFR 1505.2), the Department of the Interior, National Park Service has prepared and approved a Record of Decision for the Final Environmental Impact Statement/Anacapa Island Restoration Plan for Channel Islands National Park. The 30-day no-action period was initiated October 13, 2000, with the U.S. Environmental Protection Agency's **Federal Register** notification of the filing of the Final Environmental Impact Statement.

*Decision:* The National Park Service (NPS) has determined through field surveys and corroborated with researchers and other agency pest management experts that non-native black rats are having a severely deleterious effect upon unique native plants and animals on Anacapa Island. After due consideration the NPS has determined it is essential to implement aerial broadcast of the rodenticide Brodifacoum, multi-year seasonal control activities, human safety and health safeguards, monitoring, and other elements of an island-specific, comprehensive program described as "Alternative 2" as soon as practical. This course of action and five alternatives were identified and analyzed in the Final and Draft Environmental Impact Statements (former issued October 13, 2000, latter issued July 7, 2000).

*Public Review and Consultation:* Public scoping leading to preparation of the Draft EIS was initiated in November, 1999. A public meeting was conducted on December 8, 1999. The Draft EIS was announced on July 7, 2000; the Final EIS was announced on October 13, 2000. Meetings and availability of both EIS documents were widely publicized

in local and regional print and radio media, via the internet, at area libraries, and by direct mailings. Approximately 20 comments were received overall.

In addition, the NPS consulted extensively with experts in the field of vertebrate pest ecology worldwide, conservation organizations and universities, and regulatory and resource protection agencies including the California Coastal Commission, US Army Corps of Engineers, US Fish and Wildlife Service, National Marine Fisheries Service, National Oceanic and Atmospheric Administration, and the Environmental Protection Agency.

As a result of these collaborations, five action alternatives were identified and compared, and it was further determined that Alternative 2 comprised the "environmentally preferred" alternative.

*Copies:* Interested parties desiring to review the Record of Decision may obtain a copy by contacting the Superintendent, Channel Islands National Park, 1901 Spinnaker Drive, Ventura, California 93001; or via telephone request at (805) 658-5700.

Dated: November 17, 2000.

**John J. Reynolds,**

*Regional Director, Pacific West Region.*

### National Park Service

#### Lower St. Croix National Scenic Riverway, MN and WI, Environmental Impact Statement

**AGENCIES:** National Park Service, Minnesota Department of Natural Resources, Wisconsin Department of Natural Resources.

**ACTION:** Notice of extension of the no action period for the final cooperative management plan/final environmental impact statement for the Lower St. Croix National Scenic Riverway, Minnesota and Wisconsin.

**SUMMARY:** Pursuant to section 102(2) of the National Environmental Policy Act of 1969, the National Park Service, Minnesota Department of Natural Resources, and Wisconsin Department of Natural Resources (collectively, the "managing agencies") have prepared a final cooperative management plan/final environmental impact statement (FCMP/FEIS) for the Lower St. Croix National Scenic Riverway. The Environmental Protection Agency published a notice of availability for this document in the October 20, 2000
