#### Jenny K. Fashions, Meriden, Connecticut; Negative Determination Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In order to make an affirmative determination and issue a certification of eligibility to apply for NAFTA-TAA, the following group eligibility requirements in paragraph (a)(1) of section 250 of the Trade Act must be met:

(2) that sales or production, or both, of such firm or subdivision have decreased absolutely,

(3) and that imports from Mexico or Canada of articles like or directly competitive with articles produced by such firm or subdivision have increased, and the increases in imports contributed importantly to such workers' separations or threat of separation and to the decline in the sales or production of such firm or subdivision; or
