

leasing under the mineral leasing laws, and disposal under the mineral material disposal laws. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments regarding the proposed lease/conveyance for classification of the lands to the Las Vegas Field Manager, Las Vegas Field Office, 4765 Vegas Drive, Las Vegas, NV 89108.

Classification Comments: Interested parties may submit comments involving the suitability of the land for an elementary school. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor directly related to the suitability of the land for an elementary school. Any adverse comments will be reviewed by the State Director who may sustain, vacate, or modify this realty action. In the absence of any adverse comments, this realty action will become the final determination of the Department of the Interior. The classification of the land described in this Notice will become effective 60 days from the date of publication in the **Federal Register**. The lands will not be offered for lease/conveyance until after the classification becomes effective.

Dated: November 29, 2000.

Rex Wells,

Assistant Field Manager, Division of Lands, Las Vegas, NV.

BILLING CODE 4310-70-P

DEPARTMENT OF THE INTERIOR**National Park Service**

Notice of Intent to Repatriate Cultural Items in the Possession of the Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

AGENCY: National Park Service, Interior.
ACTION: Notice.

Notice is hereby given under the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.10 (a) (3), of the intent to repatriate cultural items in the possession of the Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA, that meet the definition of "unassociated funerary objects" under Section 2 of the Act.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 43 CFR 10.2 (c). The determinations within this notice are the sole responsibility of the museum, institution, or Federal agency that has control of these cultural items.

The National Park Service is not responsible for the determinations within this notice.

The 37 cultural items are 1 pair of scissors, 8 bracelets, 7 thimbles, 2 knives, 1 glass ball, 2 horn spoons, 1 powder horn, 2 fragments of a powder horn, 1 bone whistle, 1 bone scraper, 2 stones, 1 gunflint, 1 beaded necklace, 6 beaded ornaments and loose beads, and yellow paint.

Prior to 1870, human remains and associated funerary objects were collected by Assistant Surgeon A. I. Comfort, U.S. Army, from graves at the Old Ponca Agency, Knox County, NE. Surgeon Comfort donated the human remains and the associated funerary objects to the Army Medical Museum (forerunner of the National Museum of Health and Medicine), Washington, DC, in 1870. Surgeon Comfort's letter of transmittal to the Army Medical Museum identified the graves as culturally affiliated with the Ponca.

The human remains were later transferred to the Smithsonian Institution, Washington, DC, by the Army Medical Museum. The National Museum of Natural History repatriated these human remains to the Ponca Tribe of Indians of Oklahoma and the Ponca Tribe of Nebraska in 1998.

In 1874, a beaded necklace from one of these graves was transferred to the Peabody Museum of Archaeology and Ethnology from the Army Medical Museum.

In 1876, one powder horn and one gun flint from one of these graves were transferred to the Peabody Museum of Archaeology and Ethnology by the Army Medical Museum. Surgeon Comfort described the gunflint as a "wahintka" or "skin scraper."

Prior to 1869, human remains and associated funerary objects were collected by Acting Assistant Surgeon G. P. Hachenberg, U.S. Army, from a grave near the Old Ponca Agency, Knox County, NE. Surgeon Hachenberg donated the human remains and associated funerary objects to the Army Medical Museum in 1869. Museum records indicate that the grave was that of a Ponca woman.

The human remains were later transferred to the Smithsonian Institution by the Army Medical Museum. The National Museum of Natural History repatriated these human remains to the Ponca Tribe of Indians of Oklahoma and the Ponca Tribe of Nebraska in 1998.

In 1876, one pair of scissors and one glass ball were transferred to the Peabody Museum of Archaeology and Ethnology from the Army Medical Museum.
