**Applicable Statute**

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's (Department) regulations refer to 19 CFR part 351 (1999).

**Background**

On August 6, 1999, the Department published a countervailing duty order on stainless steel sheet and strip in coils from Italy (64 FR 42923). On August 31, 2000, Acciai Speciali Terni S.p.A. (AST), a producer/exporter of stainless steel sheet and strip in coils from Italy, and Acciai Speciali Terni USA, Inc. (AST USA), a U.S. importer of subject merchandise, requested an administrative review of the countervailing duty order on stainless steel sheet and strip in coils from Italy of the relevant period. In accordance with 19 CFR 351.221(c)(1)(i), we published the initiation of the review on October 2, 2000 (65 FR 58733). On November 21, 2000, AST and AST USA withdrew their request for review.

**Rescission of Review**

The Department's regulations, at 19 CFR 351.213(d)(1), provide that the Department will rescind an administrative review if a party that requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. AST withdrew its request for an administrative review on November 21, 2000, which is within the 90-day deadline. No other party requested a review of AST's sales. Therefore, the Department is rescinding this administrative review with respect to AST.

This notice also serves as a reminder to parties subject to administrative

protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: December 4, 2000.
