DEPARTMENT OF HEALTH AND HUMAN SERVICES

Secretary's Advisory Committee on Genetic Testing

AGENCY: Office of the Secretary, DHHS.

ACTION: Request for public comment on a proposed template of genetic test

information for use by health professionals.

SUMMARY: The Secretary's Advisory Committee on Genetic Testing (SACGT) was chartered to advise the Department of Health and Human Services on the medical, scientific, ethical, legal, and social issues raised by the development and use of genetic tests. SACGT recently completed its first report, *Enhancing the Oversight of Genetic Tests* (available at <http://www4.od.nih.gov/oba/sacgt.htm>). SACGT stated in the report's overarching principles that genetics education of health professionals and the public about the appropriate use, interpretation, and understanding of genetic test results is critical to the successful implementation of genetic testing into health care.

To inform and educate health professionals on genetic testing and their appropriate uses, SACGT is developing a template of essential information elements about genetic tests. A SACGT working group, composed of SACGT members and ad hoc experts, identified seven key data elements about a genetic test that may be valuable to health professionals considering using a genetic test for patient care. At its November 2-3, 2000 meeting, SACGT reviewed the proposed genetic test information template and recommended public comment be solicited. After consideration of public comments, SACGT's final draft of the template will be submitted to the Assistant Secretary of Health for transmittal to the Secretary of Health and Human Services.

DATES: The public is encouraged to provide written comments on the proposed genetic test information template by January 31, 2001. The following mailing address should be used: SACGT, National Institutes of Health, 9000 Rockville Pike, Building 1, Room 103, Bethesda, Maryland, 20892. SACGT's facsimile number is 301-496-9839. Comments can also be sent via e-mail to hagas@od.nih.gov. All public comments received will be available for public inspection at the SACGT office between the hours of 8:30 a.m. and 5:00 p.m.

FOR FURTHER INFORMATION: Questions about this request for public comment can be directed to Dr. Susanne Haga, by e-mail (hagas@od.nih.gov) or telephone (301-496-9838). The proposed template will also be posted on SACGT's website for review and comment.

SUPPLEMENTARY INFORMATION: Decades of genetics research have brought about many important medical and public health advances. The pace of discovery
