DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of Inspector General

Program Exclusions: November 2000

AGENCY: Office of Inspector General, HHS.

ACTION: Notice of program exclusions.

During the month of November 2000, the HHS Office of Inspector General imposed exclusions in the cases set forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, and all Federal Health Care programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.

Protection and Advocacy for Individuals with Mental Illness (PAIMI) Final Rule, 42 CFR Part 51 (OMB No. 0930-0172; Extension, no change)—These regulations meet the directive under 42 U.S.C. 10826(b) requiring the Secretary to promulgate final regulations to carry out the PAIMI Act. The regulations contain information collection requirements.

The Act authorized funds to support activities on behalf of individuals with mental illness. Recipients of this formula grant program are required by law to annually report their activities and accomplishments to include the number of individuals served, types of facilities involved, types of activities undertaken and accomplishments resulting from such activities. This summary must also include a separate report prepared by the PAIMI Advisory Council descriptive of its activities and assessment of the operations of the protection and advocacy system. The annual burden estimate for the reporting requirements for these regulations is shown in the following table.

¹ Responses and burden hours associated with these reports are approved under OMB Control No. 0930-0169.

² There is no burden estimate associated with this program provision because State P&A systems report that they attempt to resolve such situations through other means.

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Stuart Shapiro, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.
