

outcomes of graduates and former enrollees, as well as the long-term post-center outcomes of graduates. The Director will also use this information on student outcomes and customer feedback to develop and/or refine policies in order to improve its delivery of educational and job training services to at-risk youth.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the agency's burden estimates for the proposed data collection, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

This submission requests approval of three surveys that will be used to collect follow-up data on individuals who are no longer actively participating in Job Corps. The surveys are comprised of modules that include questions designed to obtain the following information: re-verification of initial job and/or school placements; employment and educational experiences; job search

activities of those who are neither working nor in school; and information about former participants' satisfaction with the services provided by Job Corps. Additionally, this submission requests approval of two brief surveys (one for employers and one of the schools or training institutions) that will be used to collect initial placement re-verification data for the subset of placed graduates and former enrollees that cannot be contacted directly.

Type of Review: New.
Agency: U.S. Department of Labor, National Office of Job Corps.
Title: Job Corps' Graduate and Former Enrollee Placement Re-Verification and Follow-up Surveys.
Agency Number: If applicable; otherwise omit this line entirely.
Affected Public: Individuals who separate from Job Corps; Business or other for-profit/Not-for-profit institutions.

Form	Total respondents	Frequency	Total responses	Average time per response (minutes)	Burden (hours)

Placed Graduates at 12 Months	23,000	One time only	23,000	10	3,833
Totals			82,745		17,320

Total Burden Cost (capital/startup): Job Corps will initiate its telephone data collection from former enrollees and graduates starting after January 2001. Computer Assisted Telephone Interviewing (CATI) centers are being established at two contractors' locations. The total cost is estimated at \$89,380, including \$43,380 for hardware, \$40,000 for software and \$6,000 for communications.

Total Burden Cost (operating/maintaining): The estimated annual cost of completing 82,755 interviews with Job Corps graduates and former enrollees is \$2,482,650. This includes \$220,500 for the former enrollee surveys—placed and non-placed; \$40,950 for the non-placed graduate survey at 12-months; \$792,000 for placed graduates at 13 weeks; and \$1,429,200 for placed graduate surveys and 6 and 12 months.

Comments submitted in response to this comment request will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.
