**Samsonite Corporation, Tucson, AZ; Amended Notice of Revised Determination on Reconsideration**

In accordance with section 250(a), subchapter D, chapter 2, title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Notice of Revised Determination on Reconsideration regarding eligibility to apply for NAFTA Transitional Adjustment Assistance, on December 8, 2000, applicable to workers of Samsonite Corporation, Tucson, Arizona. The notice will soon be published in the Federal Register.

At the request of the State agency, the Department reviewed the decision for workers of the subject firm. The State pointed out that workers of the subject firm were covered under a previous certification, NAFTA-2263, which expired on April 20, 2000. Based on this information, to avoid overlap in worker coverage, the Department is amending the September 29, 1999, impact date set in the revised determination for NAFTA-4202, to April 21, 2000.

The amended notice applicable to NAFTA-4202 is hereby issued as follows:

All workers of Samsonite Corporation, Tucson, Arizona, who became totally or

partially separated from employment on or after April 21, 2000, through December 8, 2002, are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed in Washington, DC this 15th day of December 2000.

**Investigations Regarding Certifications of Eligibility to Apply for NAFTA Transitional Adjustment Assistance**

Petitions for transitional adjustment assistance under the North American Free Trade Agreement-Transitional Adjustment Assistance Implementation Act (Pub. L. 103-182), hereinafter called (NAFTA-TAA), have been filed with State governors under section 250(b)(1) of subchapter D, Chapter 2, title II, of the Trade Act of 1974, as amended, are identified in the Appendix to this notice. Upon notice from a Governor that a NAFTA-TAA petition has been received, the Director of the Division of Trade Adjustment Assistance (DTAA), Employment and Training Administration (ETA), Department of Labor (DOL), announces the filing of the

petition and takes action pursuant to paragraphs (c) and (e) of section 250 of the Trade Act.

The purpose of the Governor's actions and the Labor Department's investigations are to determine whether the workers separated from employment on or after December 8, 1993 (date of enactment of Pub. L. 103-182) are eligible to apply for NAFTA-TAA under Subchapter D of the Trade Act because of increased imports from or the shift in production to Mexico or Canada.

The petitioners or any other persons showing a substantial interest in the subject matter of the investigations may request a public hearing with the Director of DTAA at the U.S. Department of Labor (DOL) in Washington, DC provided such request if filed in writing with the Director of DTAA not later than January 8, 2001.

Also, interested persons are invited to submit written comments regarding the subject matter of the petitions to the Director of DTAA at the address shown below not later than January 8, 2001.

Petitions filed with the Governors are available for inspection at the Office of the Director, DTAA, ETA, DOL, Room C-5311, 200 Constitution Avenue, NW., Washington, DC 20210.

Signed at Washington, DC this 19th day of December, 2000.

#### United States Leather, Lackawanna Leather, Including Leased Workers of Snelling Personnel Services Employed at United States Leather, Lackawanna Leather, El Paso, TX; Amended Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on October 6, 2000, applicable to workers of United States Leather, Lackawanna Leather, El Paso, Texas. The notice was published in the **Federal Register** on November 1, 2000 (65 FR 65331).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information shows that some workers of United States Leather, Lackawanna Leather were leased from Snelling Personnel Services to produce leather hides used for the production of car seats at the El Paso, Texas facility. Information also shows that workers separated from employment at the subject firm had their wages reported under a separate unemployment insurance (UI) tax account for Snelling Personnel Services.

Based on these findings, the Department is amending the certification to include workers of Snelling Personnel Services leased to United States Leather, Lackawanna Leather, El Paso, Texas.

The intent of the Department's certification is to include all workers of United States Leather, Lackawanna

Leather adversely affected by imports from Mexico.

The amended notice applicable to NAFTA-04106 is hereby issued as follows:

All workers of United States Leather, Lackawanna Leather, El Paso, Texas and leased workers of Snelling Personnel Services, El Paso, Texas engaged in employment related to the production of leather hides used for the production of car seats for United States Leather, Lackawanna Leather, El Paso, Texas who became totally or partially separated from employment on or after August 14, 1999 through October 6, 2002 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, DC this 19th day of December, 2000.
