

communities with high concentrations of young children living in poverty.

Additional Information: Due to the unexpected delay in passage of an appropriations law, ED is requesting an emergency review of this information collection in order to make awards in sufficient time for applicants to provide high-quality professional development programs by early summer 2001 when many early childhood educators and caregivers will be available to participate. Based upon the occurrence of this unanticipated event, and the public harm that might otherwise occur with delaying grant awards so that the opportunity is missed to provide professional development during summer 2001. OMB approval is requested by January 5, 2000, so that the application notice can be published and the application be made available to eligible applicants. We anticipate that this time schedule will allow eligible applicants 60 days to prepare grant applications, and the Department to award grants by mid-May.

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs; Not-for-profit institutions.

21st Century Community Learning Centers; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2001

Purpose of Program: The 21st Century Community Learning Centers Program was established by Congress to award grants to rural and inner-city public

schools, or consortia of such schools, to enable them to plan, implement, or expand projects that benefit the educational, health, social services, cultural and recreational needs of the community. School-based community learning centers can provide expanded learning opportunities for children, youth and their families as well as a safe, drug-free, supervised and cost-effective afterschool, weekend or summer haven.

For fiscal year (FY) 2001 we strongly encourage applicants to design projects that focus on the invitational priority in the PRIORITIES section of this application notice.

Eligible Applicants: Only rural or inner-city public elementary or secondary schools, consortia of those schools, or local educational agencies (LEAs) applying on their behalf, are eligible to receive a grant under the 21st Century Community Learning Centers Program. An LEA considering serving more than one school is encouraged to submit a consortium application on their behalf. Grants awarded under the program may be used to plan, implement, or expand community learning centers. Applicants must demonstrate that they meet the statutory program purpose of serving either "rural" or "inner-city" schools or a consortium of such schools.

Applications Available: January 4, 2001.

Deadline for Transmittal of Applications: March 30, 2001.

Deadline for Intergovernmental Review: May 31, 2001.

Available Funds: Approximately \$205 million.

Estimated Range of Awards: \$35,000-\$2,000,000, depending on the number of Centers included in each grant application.

Estimated Average Size of Awards: \$500,000, for a grant that will support 4 Centers. The average funding for a single Center is \$125,000.

Estimated Number of Awards: Approximately 400 awards.

Project Period: Up to 36 months.

Please note that all applicants for multi-year awards are required to provide detailed budget information for the total grant period requested. The Department will negotiate at the time of the initial award the funding level for each year of the grant award.

Note: The Department is not bound by any estimates in this notice.

Page Limit: The application narrative (Part IV of the application) is where you, the applicant, address the selection criteria reviewers use to evaluate your application. Applicants are strongly

encouraged to limit Part IV to the equivalent of no more than 20 pages.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 85, and 86, and (b) the regulations in 34 CFR part 299.

Priorities

The Absolute Priority, published in the notice of final priorities for this program in the **Federal Register** on December 2, 1997 (62 FR 63773) and repeated below, applies to this competition. In addition, we give preference to applications that meet the Competitive Priority (34 CFR 75.105(c)(2)(ii) and 34 CFR 299.3(a)).

Absolute Priority: Under 34 CFR 75.105(c)(3), we consider only applications that meet the absolute priority in the next paragraph.

Activities To Expand Learning Opportunities: We fund only those applications for 21st Century Community Learning Centers grants that include, among the array of services required and authorized by the statute, activities that offer significant expanded learning opportunities for children and youth in the community and that contribute to reduced drug use and violence.

Invitational Priority: Within the absolute priority, Activities to Expand Learning Opportunities, in accordance with the Department of Education Appropriations Act, 2001, the Secretary strongly encourages applications that are submitted jointly by a local educational agency (or a consortium of local educational agencies) and at least one community-based organization that has experience in providing before-and afterschool services. We are particularly interested in applications that meet this invitational priority.

Under 34 CFR 75.105(c)(1) we do not give to an application that meets the invitational priority a competitive or absolute preference over other applications.

Competitive Priority: Under 34 CFR 75.105(c)(2)(i), we give preference to applications that meet the competitive priority described below.

Competitive Priority: Projects that will use a significant portion of the program funds to address substantial problems in an Empowerment Zone, including a Supplemental Empowerment Zone, or an Enterprise Community designated by the United States Department of Housing and Urban Development or the United States Department of Agriculture. We select an application that meets this priority over an

application of comparable merit that does not meet this competitive priority.

Note: A list of areas that have been designated as Empowerment Zones and Enterprise Communities is published as an appendix to this notice.

Applicable Funding Criteria: See application package.
