Applicants' Representations

1. The Sponsor is a broker-dealer registered under the Securities Exchange Act of 1934. The Trust is

registered under the Act and consists of several UITs registered or to be registered under the Securities Act of 1933 (the "Trust Series"). Each Trust Series is created under the laws of the U.S. pursuant to a trust agreement that will contain information specific to that Trust Series and which will incorporate by reference a master trust indenture (the "Indenture") among the Sponsor, a bank (as defined in section 2(a)(5) of the Act), an evaluator, and a supervisor. Applicants request that any order granted pursuant to the application extend to any future UIT sponsored by the Sponsor or an entity controlling, controlled by, or under common control with the Sponsor (together with the Trust, the "Trusts" and their series, "Trust Series") and any bank which acts as trustee (a "Trustee") for any Trust Series.

2. Several Trust Series have investment objectives that specify the investment of assets in non-United States securities. To date, the existing Trust Series that invest in foreign securities have been able to deposit those securities in the custody of a foreign branch of a U.S. bank or with the securities clearance and depository facilities operated by Morgan Guaranty Trust Company of New York, in its capacity as operator of the Euroclear System ("Euroclear"), or with Central de Livraison de Valeurs Mobilieres, S.A. ("Cedel"), under an exemptive order granted to The Chase Manhattan Bank.¹ Future Trust Series may invest in foreign securities traded in countries (such as Australia, France, and New Zealand) that either are not eligible for settlement through Euroclear or Cedel or for which those depositories are not used in the ordinary course of settling transactions. Applicants therefore request an order to permit the Trust Series to deposit investments, including foreign currencies, for which the primary market is outside the United States and such cash and cash equivalents as reasonably necessary to effect the Trust Series' transactions in those investments (collectively, "Foreign Investments"), with any foreign bank or securities depository subject to the requirements described below.

Applicants' Legal Analysis

1. Under sections 2(a)(5) and 26(a)(1) of the Act, the trustee of a UIT must be a bank that is subject to regulation by the U.S. government or one of the states.

¹ Investment Company Act Release Nos. 22000 (May 31, 1996) (notice) and 23186 (May 14, 1998) (order) and 21673 (Jan. 16, 1996) (notice) and 21751 (Feb. 16, 1996) (order).

Section 26(a)(2)(D) also requires that the trust indenture provide that the trustee "shall have possession of all securities and other property in which the funds of the trust are invested * * * and shall segregate and hold the same in trust * * * until distribution thereof to the security holders of the trust." Under these provisions, the only foreign entity that qualifies as a UIT custodian is an overseas branch of a U.S. bank.

2. Section 6(c) provides that the SEC may conditionally or unconditionally exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of the Act or any rule or regulation under the Act if, and to the extent that, the exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

3. Rules 17f-5 and 17f-7 under the Act govern the custody of assets of registered management investment companies overseas. Applicants seek an order under section 6(c) exempting them and any U.S. bank that acts as Trustee for any Trust Series from section 26(a)(2)(D) of the Act to the extent necessary to permit a Trustee to deposit Foreign Investments with an eligible foreign custodian as that term is defined in rule 17f-5 under the Act ("Eligible Foreign Custodian"), or eligible securities depository, as that term is defined in rule 17f-7 under the Act ("Eligible Securities Depository").²

4. Under the proposed arrangements, a Trust Series would comply with all of the requirements of rule 17f-5, as amended on June 12, 2000, except that the Trustee would perform the duties that rule 17f-5 requires to be performed by the foreign custody manager, as that term is defined in rule 17f-5 ("Foreign Custody Manager"). Applicants state that the Trustee can fulfill the duties of a Foreign Custody Manager under rule 17f-5 to select an Eligible Foreign Custodian and monitor the foreign custody arrangements. Applicants also assert that the Trustee will have the necessary expertise and generally be in the best position to make the determinations required by rule 17f-5. Under the proposed arrangements, a Trust Series also would comply with all of the requirements of rule 17f-7, with the Trustee providing the risk analysis to the Sponsor, monitoring the custody risks associated with maintaining

² Applicants state that, although the compliance date for rule 17f-5, as last amended, and rule 17f-7 is July 2, 2001, they will comply with amended rule 17f-5 and rule 17f-7 upon the issuance of the requested order.

Foreign Investments with an Eligible Securities Depository on a continuing basis, and promptly notifying the Sponsor of any material change in these risks. Applicants also state that the Sponsor will be required to take appropriate action in response to a notification by the Trustee.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. The Indenture will contain provisions under which the Trustee agrees to indemnify the Trust Series against the risk of loss of Trust Series' Foreign Investments held with an Eligible Foreign Custodian in accordance with the foreign custody contract.

2. The Indenture will contain provisions under which the Trustee agrees to exercise reasonable care, prudence, and diligence such as a person having responsibility for the safekeeping of Trust Series assets would exercise, and to be liable to the Trust Series for any loss occurring as a result of the Trustee's failure to do so.

3. The Indenture will contain provisions under which the Trustee agrees to perform all the duties assigned by rule 17f-5, as now in effect or as it may be amended in the future, to a Foreign Custody Manager. A Trustees' duties under this condition will not be delegated.

4. The Indenture will contain provisions under which the Trustee agrees that it (or the Trustee's agent) will (i) provide the Sponsor with an analysis of the custody risks associated with maintaining assets with an Eligible Securities Depository; (ii) monitor the custody risks associated with maintaining assets with the Eligible Securities Depository on a continuing basis and promptly notify the Sponsor of any material change in these risks; and (iii) exercise reasonable care, prudence and diligence in performing the foregoing duties.

5. The Sponsor will be required to take appropriate action in response to a notification by the Trustee provided pursuant to condition 4 above.

6. The Trust Series' prospectuses will contain such disclosure regarding foreign securities and foreign custody as is required for management investment companies by Forms N-1A and N-2. The prospectus also will contain disclosure concerning the Sponsor's responsibilities pursuant to condition 5 above.

7. The Trustee will maintain and keep current written records regarding the basis for the choice or continued use of

each foreign custodian. These records will be preserved for a period of not less than six years from the end of the fiscal year in which the Trust Series was terminated, the first two years in an easily accessible place. The records will be available for inspection at the Trustee's main office during the Trustee's usual business hours, by unitholders and by the Commission or its staff.

For the Commission, by the Division of Investment Management, under delegated authority.

Jonathan G. Katz,
Secretary.
