

Form 805 Series. OPM Form 805, Application to be Listed Under the Voting Rights Act of 1965, is used to elicit information from persons applying for voter registration under the authority of the Voting Rights Act of 1965. The requirements for voter eligibility vary from State to State; therefore, OPM Form 805 is a blanket number covering a number of forms that conform to the individual State's requirements. For a number of years, there were forms for 10 States: Alabama, Arizona, Georgia, Louisiana, Mississippi, New Mexico, North Carolina, South Carolina, Texas (English and Spanish language versions), and Utah. Because OPM has never been asked to list voters in Arizona, New Mexico, North Carolina, and Utah, we allowed the approval of those forms to lapse in 1997 at the request of the Voting Rights Section in the Civil Rights Division of the Department of Justice. The form requires 20 minutes to complete. Approximately 10 individuals complete the form annually for a total public burden of 4 hours.
