Electrolytic Manganese Dioxide From Japan: Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative review.

SUMMARY: Based on a request by a Japanese producer, Tosoh Corporation, the Department of Commerce is conducting an administrative review of the antidumping duty order on electrolytic manganese dioxide from Japan. This review covers imports of electrolytic manganese dioxide from one producer/exporter during the period of review, April 1, 1999, through December 31, 1999.

We have preliminarily determined that sales by Tosoh Corporation have not been made below normal value. If these preliminary results are adopted in our final results of administrative review, we will instruct the Customs Service to liquidate without regard to antidumping duties all entries of electrolytic manganese dioxide from Tosoh Corporation during the period of review.

We invite interested parties to comment on these preliminary results.
