ENVIRONMENTAL PROTECTION AGENCY

[FRL-6930-6]

Agency Information Collection Activities; Proposed Collection; Comment Request; 2001 Emergency Planning and Community Right-to-Know Act (EPCRA) and Risk Management Program (RMP) Implementation Status Questionnaire For Tribal Emergency Response Commissions (TERCs) and Their Duly Appointed Local Emergency Planning Committee(s) (LEPCs)

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: In compliance with the paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), this document announces that EPA is planning to submit the following proposed Information Collection Request (ICR) to the Office of Management and Budget (OMB): 2001 Emergency Planning and Community Right-to-Know Act (EPCRA) and Risk

Management Program (RMP) Implementation Status Questionnaire for Tribal Emergency Response Commissions (TERCs) and Their Duly Appointed Local Emergency Planning Committee(s) (LEPCs), EPA ICR No. 2004.01. Before submitting the ICR to OMB for review and approval, EPA is soliciting public comments on specific aspects of the proposed information collection as described below.

DATES: Written comments must be submitted to the person and address listed below and postmarked on or before March 12, 2001. Unless adverse comments are received by EPA by the above date, EPA will proceed with its submittal of the ICR to OMB as indicated above.

ADDRESSES: United States Environmental Protection Agency, Region IX, ATTN: Sam Agpawa, EPCRA/CEPP Team, Superfund Division, 75 Hawthorne St. Mail stop: SFD-1-2, San Francisco, CA 94105.

FOR FURTHER INFORMATION CONTACT: Sam Agpawa at (415) 744-2342 or E-mail at agpawa.sam@epa.gov

SUPPLEMENTARY INFORMATION: Affected entities: Entities potentially affected by this action are emergency planning organizations or units of Federally recognized Indian tribes, reservations, rancherias and colonies, each of which may be considered a "small entity," located within the state boundaries of Arizona, California and Nevada and including the Navajo Nation whose lands extend into New Mexico, Utah and Colorado. Therefore, establishing different requirements or exemptions from coverage is not practicable. However, EPA will make every effort to minimize the "burden on persons who shall provide information." This will be accomplished by ensuring that the questionnaire is as concise as practicable, that the instructions clarify the respondent's burden, and that the survey questions are simple to answer with information that is readily available to the respondent either through the Agency or the Public domain.

The perception of burden is inherently reduced by the fact that participation in this information collection is voluntary, which will be clearly stated within the contents of the survey questionnaire, within any accompanying promulgation letter or at, and during, any EPA sponsored survey introductory event. The survey packet will be mailed, in accordance with protocol, to the principal officer of each tribal entity as listed in a comprehensive mailing roster developed by EPA Region IX.
