BILLING CODE 4410-31-M

DEPARTMENT OF LABOR

Employment Standards Administration

Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection

requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning the proposed extension collection of the following information collections: (1) Maintenance of Receipts for Benefits Paid by a Coal Mine Operator (CM-200); (2) Claim for Reimbursement-Assisted Reemployment (CA-2231); and (3) Vehicle Mechanical Inspection Report for Transportation Subject to Department of Transportation Requirements (WH-514) and Vehicle Mechanical Inspection Report for Transportation Subject to Department of Labor Safety Standards (WH-514a). Copies of the proposed information collection requests can be obtained by contacting the office listed below in the addressee section of this Notice.

DATES: Written comments must be submitted to the office listed in the addressee section below on or before March 13, 2001.

ADDRESSES: Ms. Patricia A. Forkel, U.S. Department of Labor, 200 Constitution Ave., NW., Room S-3201, Washington, DC 20210, telephone (202) 693-0339 (this is not a toll-free number), fax (202) 693-1451.

SUPPLEMENTARY INFORMATION:

Maintenance of Receipt for Benefits Paid by a Coal Mine Operator (CM-200)

I. Background

The Office of Worker's Compensation Programs (OWCP) administers the Federal Black Lung Benefits Act (FBLBA). Under 20 CFR 725.531, self-insured coal mine operators or insurance carriers must maintain receipts for black lung benefits payments made for five years after the date on which the receipt was executed. This requirement is designated as CM-200, Maintenance of Receipts for Benefits Paid by A Coal Mine Operator. There is no form or format for the receipts; a cancelled check will satisfy the requirement.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
