

can no longer change, except pursuant to a request for a review of that company. See *Federal-Mogul Corporation and The Torrington Company v. United States*, 822 F.Supp. 782 (CIT 1993) and *Floral Trade Council v. United States*, 822 F.Supp. 766 (CIT 1993) (interpreting 19 CFR 353.22(e), the prior antidumping regulation on automatic assessment, which was identical to 19 CFR 355.22(g)). Therefore, the cash deposit rates for all companies except those covered by these reviews will be unchanged by the results of these reviews.

We will instruct Customs to continue to collect cash deposits for non-reviewed companies at the most recent company-specific or country-wide rate applicable to the company. Accordingly, the cash deposit rates that will be applied to non-reviewed companies covered by this order will be the rate for that company established in the most recently completed administrative proceeding conducted under the URAA. If such a review has not been conducted, the rate established in the most recently completed administrative proceeding pursuant to the statutory provisions that were in effect prior to the URAA amendments is applicable. See *Final Affirmative Countervailing Duty Determinations: Certain Steel Products from Germany*, 58 FR 37315 (July 9, 1993). This rate shall apply to the non-reviewed companies until a review of a company assigned these rates is requested. In addition, for the periods calendar year 1997 and calendar year 1998, the assessment rates applicable to all non-reviewed companies covered by this order are the cash deposit rates in effect at the time of entry.

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These administrative reviews and this notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Lyn Preston, Chief, Nautical Data Branch, Marine Chart Division, N/CS26, Room 7350, 1315 East-West Highway, Silver Spring, MD 20910-3282 (phone 301-713-2737, ext. 123 or e-mail Lyn.Preston@noaa.gov).

SUPPLEMENTARY INFORMATION:

I. Abstract

NOAA's National Ocean Services produces nautical charts to ensure safe navigation. Small-craft charts are designed for recreational boaters and include information on local marine facilities and the services they provide (fuel, repairs, etc.). Information must be

gathered from marinas to update the information provided to the public.

II. Method of Collection

Forms are sent to marinas when the relevant chart is to be updated. Forms are also made available at boat shows.

III. Data

OMB Number: 0648-0021.
Form Number: NOAA Form 77-1.
Type of Review: Regular submission.
Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 1,600.

Estimated Time Per Response: 8 minutes.

Estimated Total Annual Burden Hours: 213.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

SUPPLEMENTARY INFORMATION:

I. Abstract

NOAA Fisheries hosted two observer workshops, in 1998 and 2000, which brought together managers and scientists from the United States, Canada and other countries to share ideas and resolve key issues of common interest regarding fishery observer programs. In 2002, NOAA Fisheries will be hosting another observer workshop. The purpose of the collection is to gather information from participants in the previous workshops and from new potential participants in order to plan the format and content for the next observer workshop such that it will provide the greatest benefit to the performance of the NOAA Fisheries observer program.

II. Method of Collection

The information will be collected by having a survey form available on a NOAA web site.
