Foreign-Trade Zones Board

[Order No. 1140]

Grant of Authority for Subzone Status; Tesoro Northwest Company (Oil Refinery), Anacortes, WA

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a–81u), the Foreign-

Trade Zones Board (the Board) adopts the following Order:

Whereas, by an Act of Congress approved June 18, 1934, an Act “To provide for the establishment * * * of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes,” as amended (19 U.S.C. 81a–81u) (the Act), the Foreign-Trade Zones Board (the Board) is authorized to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs ports of entry;

Whereas, the Board’s regulations (15 CFR Part 400) provide for the establishment of special-purpose subzones when existing zone facilities cannot serve the specific use involved;

Whereas, an application from the Port of Tacoma, grantee of FTZ 86, for authority to establish special-purpose subzone status at the oil refinery complex of Tesoro Northwest Company in Anacortes, Washington, was filed by the Board on March 15, 2000, and notice inviting public comment was given in the **Federal Register** (FTZ Docket 10–2000, 65 FR 15305, 3/22/00); and,

Whereas, the Board adopts the findings and recommendations on the examiner's report, and finds that the requirements of the FTZ Act and Board's regulations would be satisfied, and that approval of the application would be in the public interest if approval is subject to the conditions listed below;

Now, Therefore, the Board hereby authorizes the establishment of a subzone (Subzone 86D) at the oil refinery complex of Tesoro Northwest Company, in Anacortes, Washington, at the location described in the

application, subject to the FTZ Act and the Board's regulations, including § 400.28, and subject to the following conditions:

Frozen Concentrated Orange Juice from Brazil; Preliminary Results of Antidumping Duty Administrative Review; Time Limits

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Extension of Time Limits of Preliminary Results of 1999-2000 Administrative Review.

EFFECTIVE DATE: January 22, 2001.

FOR FURTHER INFORMATION CONTACT: Irina Itkin, Office of AD/CVD Enforcement, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230; telephone (202) 482-0656.

Postponement of Preliminary Results of Administrative Review

The Department issued the initiation of the thirteenth administrative review of the antidumping duty order on frozen concentrated orange juice from Brazil on June 30, 2000 (65 FR 41942 (July 7, 2000)). The current deadline for the preliminary results in this review is January 30, 2001. In accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(2), the Department finds that the preliminary results cannot be issued within the original time frame due to the extraordinarily complicated nature of certain cost issues in this review.

Because it is not practicable to complete the administrative review within the time limits mandated by the Uruguay Round Agreements Act (245 days from the last day of the anniversary month for preliminary results), pursuant to section 751(a)(3)(A) of the Act, and 19 CFR 351.213(h)(2), the Department is extending the time limit for completion of the preliminary results of the administrative review until May 30, 2001.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: January 16, 2001.

Richard W. Moreland,
Deputy Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE**International Trade Administration****North American Free-Trade Agreement, Article 1904; NAFTA Panel Reviews; Request for Panel Review**

AGENCY: NAFTA Secretariat, United States Section, International Trade Administration, Department of Commerce.

ACTION: Notice of first request for panel review.

SUMMARY: On December 28, 2000, Dofasco filed a First Request for Panel Review with the United States Section of the NAFTA Secretariat pursuant to Article 1904 of the North American Free Trade Agreement. Panel review was requested of the final results of the full sunset review of antidumping duty orders made by the United States International Trade Commission, respecting Certain Corrosion-Resistant Steel Flat Products from Canada and the continuation of antidumping duty order by the U.S. Department of Commerce based on the International Trade Commission's determination. These determinations were published in the **Federal Register**, (65 FR 75301) on December 1, 2000 and (65 FR 78469) on December 15, 2000. The NAFTA Secretariat has assigned Case Number USA-CDA-00-1904-11 to this request.

FOR FURTHER INFORMATION CONTACT: Caratina L. Alston, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, DC 20230, (202) 482-5438.

SUPPLEMENTARY INFORMATION: Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules").
