#### Quality Veneer & Lumber, Handel Lumber Division, Hood River, Oregon and Odell, Oregon. Notice of Revised Determination on Reopening

On December 22, 2000, the Department issued a Notice of Negative Determination Regarding Eligibility to Apply to Worker Adjustment Assistance, applicable to workers of Quality Veneer & Lumber, Handel Lumber Division, Hood River and Odell, Oregon. The notice will soon be published in the **Federal Register**.

The initial investigation resulted in a negative determination for the workers producing dimension lumber at the subject firm plants, based on the finding that criterion (3) of Section 222 of the worker group eligibility requirements of the Trade Act of 1974, as amended, was not met.

The Department has obtained a response from a customer of the subject firm showing that the customer

increased reliance on import purchases of dimension lumber during the time period that Quality Veneer was reducing production and employment.

### Conclusion

After careful review of the additional facts obtained on reopening, I conclude that increased imports of articles like or directly competitive with dimension lumber contributed importantly to the declines in sales or production and to the, total or partial separation of workers of Quality Veneer & Lumber, Hood River, Oregon and Odell, Oregon. In accordance with the provisions of the Act, I make the following certification:

All workers of Quality Veneer & Lumber, Hood River, Oregon and Odell, Oregon, who became totally or partially separated from employment on or after September 20, 1999, through two years from the date of certification, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed in Washington, DC, this 9th day of January, 2001.

#### United States Leather, Lackawanna Leather, El Paso, Texas, Including Leased Workers of Temporary Alternatives, Inc. d/b/a Snelling Temporaries Employed at United States Leather, Lackawanna Leather, El Paso, Texas; Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on December 20, 2000, applicable to workers of United States Leather, Lackawanna Leather, including leased workers of Snelling Personnel Services, El Paso, Texas. The notice will be published soon in the **Federal Register**.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New findings show that the Department incorrectly identified the subject firm title name in its entirety. The Department is amending the certification determination to correctly

The amended notice applicable to TA-W-38,436 is hereby issued as follows:
