Update of the List of Countries Whose Citizens or Nationals Are Ineligible for Transit Without Visa (TWOV) Privileges to the United States Under the TWOV Program

AGENCY: Immigration and Naturalization Service, Department of Justice.

ACTION: Interim rule; delay of effective date.

SUMMARY: In accordance with the memorandum of January 20, 2001, from the Assistant to the President and Chief of Staff, entitled "Regulatory Review Plan," published in the **Federal Register** on January 24, 2001, this action temporarily delays for 60 days the effective date of the rule entitled "Update of the List of Countries Whose Citizens or Nationals Are Ineligible for Transit Without Visa (TWOV) Privileges to the United States under the TWOV Program", published in the **Federal Register** on January 5, 2001, at 66 FR 1017. The temporary 60-day delay in effective date is necessary to give Department of Justice officials the opportunity for further review and consideration of new regulations, consistent with the Assistant to the President's memorandum of January 20, 2001.

DATES: The effective date of the "Update of the List of Countries Whose Citizens or Nationals Are Ineligible for Transit Without Visa (TWOV) Privileges to the United States under the TWOV Program", published in the **Federal Register** on January 5, 2001, at 66 FR 1017, is delayed for 60 days, from

SUPPLEMENTARY INFORMATION: To the extent that 5 U.S.C. section 553 applies to this action, it is exempt from notice and comment because it constitutes a rule of procedure under 5 U.S.C. section 553(b)(A). Alternatively, the Immigration and Naturalization Service (Service) implementation of this action without opportunity for public comment, effective immediately upon publication today in the **Federal Register**, is based on the good cause exceptions in 5 U.S.C. section 553(b)(B) and 553(d)(3). Seeking public comment is impracticable, unnecessary and contrary to the public interest. The temporary 60-day delay in effective date is necessary to give Department of Justice officials the opportunity for further review and consideration of new regulations, consistent with the Assistant to the President's memorandum of January 20, 2001. Given the imminence of the effective date, seeking prior public comment on this temporary delay would have been impractical, as well as contrary to the public interest in the orderly promulgation and implementation of regulations. The imminence of the effective date is also good cause for making this action effective immediately upon publication.
