Community and Tribal Subcommittee of the Board of Scientific Counselors, Agency for Toxic Substances and Disease Registry: Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Agency for Toxic Substances and Disease Registry (ATSDR) announces the following subcommittee meetings.

Name: Community and Tribal Subcommittee.

Times and Dates: 8:30 a.m.–5 p.m., February 26, 2001, 8:30 a.m.–5 p.m., February 27, 2001.

Place: Radisson Inn at Executive Park, 2061 North Druid Hills Road, Atlanta, Georgia 30329.

Status: Open to the public, limited by the available space. The meeting room accommodates approximately 50 people.

Purpose: This subcommittee brings to the Board of Scientific Counselors, ATSDR, advice, citizen input, and recommendations on community and tribal programs, practices, and policies of the Agency.

Matters to be Discussed: Agenda items include an update on Action Items and Recommendations from previous meeting; CTS Special Consultant will update on attendance to the Environmental Protection Agency's National Environmental Justice Advisory Committee meeting; review of ATSDR's Research Agenda activities and new proposals; a presentation of the Strategic Planning current plan, mission and goal; viewing of the cultural sensitivity training issues video tape; CTS will give an update on the Task Group progress report and interactive session, and discuss the future activities of the Task Group.

Written comments are welcomed and should be received by the contact person listed below prior to the opening of the meeting.

Agenda items are subject to change as priorities dictate.

Contact Person For More Information: Robert Spengler, ScD, Executive Secretary, BSC, ATSDR contact, ATSDR, M/S E-28, 1600 Clifton Road, NE, Atlanta, Georgia 30333, telephone 404/639-0708.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: February 5, 2001.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

[Program Announcement 01016]

Grants for Violence-Related Injury Prevention Research; Notice of Availability of Funds; Amendment

A notice announcing the availability of Fiscal Year 2001 funds to fund grants for Injury Prevention and Control Research in the priority areas of Violence and Abuse Prevention which was published in the **Federal Register** on December 22, 2000, (Volume 65, No. 247, pages 80891–80895). The notice is amended as follows:

On page 80892, first column, under Section C. Availability of Funds, first paragraph, line 1 should be changed to read "Approximately \$2.4 million * * *".

On page 80892, first column, under Section C. Availability of Funds, first paragraph, line 1 should be changed to read "* * * approximately 8–10 awards * * *".

On page 80892, first column, under Programmatic Interest, the following paragraph should be inserted between the first and second paragraph:

"Research is sought to document and improve understanding of similarities and differences among types of perpetrators and violence. To that end it will be necessary to examine: (1) Programs for intervening with men who only batter intimate partners may have to be different than those for men who batter intimate partners and maltreat their children, (2) whether among adolescents, prevention programs that currently focus on peer violence exclusively should assess and address

dating violence, (3) the value of screening for intimate partner violence and sexual violence in primary health care settings. Currently, we lack information on available screening practices and their impact on women and the prevention of violence against women."

On page 80893, first column, item numbered (2.) should be changed to read, "Document and improve understanding of the relationships and links between different types and of violence; and different forms of perpetration, especially among adolescent offenders. Of particular concern are:" On page 80893, first column, under item numbered (2.), first bullet should be changed to read, "* * * and perpetration to child abuse and sexual violence."

On page 80893, first column, under item numbered (2.), between first and second bullet insert a bullet that reads: "The relationship between perpetration of intimate partner violence and perpetration of child abuse and sexual violence."

On page 80893, first column, under item numbered (2.) following the last bullet insert a bullet that reads: "The relationship between youth violence directed at non-intimates and that directed at dates in the form of either sexual violence or physical abuse."

On page 80893, first column, item number (3.) should be changed to read "* * * and child abuse. Of particular interest is:"

On page 80893, first column, under item numbered (3.) insert a bullet that reads "interventions that seek to prevent multiple types of violence perpetration."

Dated: February 6, 2001.

John L. Williams,

Director, Procurement and Grants Office, Centers for Disease Control and Prevention.
