**Rule 6.8. RAES Operations**

This Rule governs RAES operations in all classes of options, except to the extent otherwise expressly provided in this or other Rules in respect of specified classes of options.

(a)(i) Firms on the Exchange's Order Routing System ("ORS") will automatically be on the Exchange's Retail Automatic Execution System ("RAES") for purposes of routing small public customer market or marketable limit orders into the RAES system. Those orders which are eligible for routing to RAES may be subject to such contingencies as the appropriate Floor Procedure Committee ("FPC") shall approve. Public customer orders are orders for accounts other than accounts in which a member, non-member participant in a joint-venture with a member, or any non-member broker-dealer (including a foreign broker-dealer as defined in Rule 1.1 (xx)) has an interest. The appropriate Floor Procedure Committee ("FPC") shall determine the size of orders eligible for entry into RAES in accordance with paragraph (e) of this Rule. For purposes of determining what a small customer order is, a customer's order cannot be split up such that its parts are eligible for entry into RAES. Firms on ORS have the ability to go on and off ORS at will. Firms not on ORS that wish to participate will be given access to RAES from terminals at their booths on the floor.

(ii) When RAES receives an order, the system automatically will attach to the order its execution price, determined by the prevailing market quote at the time of the order's entry to the system, except as otherwise provided in *paragraph (b) of this Rule in instances where the best bid or offer on the Exchange's book constitutes the prevailing market best bid or offer, and as otherwise provided in Interpretation and Policy .02* under this Rule 6.8 in respect of multiply-traded options. A buy order will pay the offer, a sell order will sell at the bid. A Market-Maker logged on to participate in RAES (a "Participating Market-maker") will be designated as contra-broker on the trade. A trade executed on RAES at an erroneous quote should be treated as a trade reported at an erroneous price and adjusted to reflect the accurate market after receiving a Floor Official's approval.

(b) *When the best bid or offer on the Exchange's book constitutes the best bid or offer on the Exchange and is for a size less than the RAES order eligibility size for that class, such fact shall be*
