

Route Inspection

On February 27–March 2, 2001, we will also be conducting an inspection of the proposed routes and locations of facilities associated with CIG's proposal. This inspection may include both aerial and ground components. Anyone interested in participating in the inspection activities may contact the FERC's Office of External Affairs (identified at the end of this notice) for more details and must provide their own transportation.

Notification of Application Acceptance Period for the National Environmental Achievement Track

AGENCY: Environmental Protection Agency (EPA).

ACTION: Acceptance of National Environmental Achievement Track Applications.

SUMMARY: The Office of Policy, Economics, and Innovations announces that applications for the National Environmental Achievement Track (Achievement Track) will be accepted February 1, 2001 through April 30, 2001. Achievement Track, the first level of the National Environmental Performance Track, recognizes top public and private facilities that go beyond compliance with regulatory requirements and encourages high levels of environmental performance and management that benefit people, communities, and the environment.

The application form and instructions for completing an application for the Achievement Track can be found on the web at <http://www.epa.gov/performance-track/apps/app.htm> or hard copies can be requested by calling the Performance Track Information Center at 1–888–339–7875. Applications are used to establish that the facility meets the four requirements necessary to be named as a participant in the Achievement Track. The entry criteria require that the applying facility:

- Has adopted and implemented an environmental management system (EMS) that includes policy, planning, implementation and operation, checking and corrective action, and management review;
- Is able to demonstrate specific environmental achievements and commit to continued improvement;
