Title of Information Collection: Stages of Change Survey for Informed Choice in the Medicare Population;

Form No.: HCFA-10011 (OMB# 0938-NEW)

Use: This is a survey of Medicare beneficiaries in the first step in the application the Transtheoretical Model (the "stage model") to informed choice in the Medicare population. The Transtheoretical Model has been applied and proven effective in facilitating behavior change in a wide range of health behaviors including smoking cessation, mammography screening, and safe sex. This work will yield psychometrically sound and externally valid measures of beneficiaries' readiness to make informed choices about health plans, and provide information to HCFA to assist with its national educational campaign to inform beneficiaries about their choices. Stages of Change measures will be administered to 560 Medicare beneficiaries' readiness to make informed choices about health plans, and provide information to guide HCFA's National Medicare Education Program (NMEP).;

Frequency: Other: One-time survey;

Affected Public: Individuals or Households;

Number of Respondents: 560;

Total Annual Responses: 560;

Total Annual Hours: 327.

Chapter 35, as amended).

Through this Notice, the Department is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond, including

the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Issuer's Monthly Remittance Advice and Issuer's Monthly Serial Note Remittance Advice.

OMB Control Number, if applicable: 2503-0015.

Description of the need for the information and proposed use: The Form HUD 11714 is used to advise each security holder of the current month's account transactions and calculation of holder's pro rata share percentage of total cash distribution. The Form HUD 11714SN is used to provide a summary of information to the holders of Serial Note Certificates with respect to the current month's account transactions, calculation of interest and principal to be distributed, and data with respect to the redemption of Serial Units.

Agency form numbers, if applicable: HUD Form 11714 and 11714SN.

Members of affected public: For-profit business (mortgage industry trade associations, securities companies, accounting firms, law firms, service providers, etc.)

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

Estimation of total number of hours needed to prepare the information collection is based on the number of respondents multiplied by the frequency of responses:

445 issuers + 21,500 responses = 21,945 responses

21,945 × 12 months = 263,340 Annual Responses,

263,340 × .01 (1 minute) = 2,633 Annual Burden Hours

Status of the proposed information collection: This is a reinstatement, with change, of a previously approved collection for which approval has expired.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: February 1, 2001.
