Matching Requirements: UPARR Rehabilitation grants are awarded on a 70/30 (Federal/local) matching basis. As an incentive for state involvement in the program, the Federal Government will match, dollar for dollar, state contributions to the local share of the total project cost, up to 15 percent of the approved grant. The Federal share is limited to no more than 85 percent of the approved grant cost and the overall dollar limitations established above for Rehabilitation grants.

Pass-Through Funding: At the discretion of the applicant jurisdiction, grants may be transferred, in whole or in part, to independent general or special purpose local governments, private nonprofit agencies or community groups, and county or regional park authorities that provide recreation opportunities to the general population within the jurisdictional boundaries of the applicant jurisdiction. In such situations, the applicant jurisdiction will bear full legal responsibility and liability for passed-through funds.

Post-Completion Requirements: In accordance with Section 1010 of the UPARR Act of 1978, assisted properties may not be converted to other than public recreation use without the prior approval of NPS and the replacement of the converted site or facility with one of reasonably equivalent usefulness and location. This provision applies to all Rehabilitation projects.
