[See CLI-00-22, 52 NRC at 319.]

2. Applicants state that Eligible Employees have sufficient knowledge, education, training, sophistication and experience in the financial services businesses, or in administrative, financial, accounting or operational activities related thereto, to be capable of evaluating the risk of an investment in the Company.

7. A separate account will be established and maintained for each Eligible Investor who invests in the Company ("Member"). A Member's capital account is equal initially to the initial capital contribution made by the Member. Net income or net loss of the Company will be determined and credited at least annually to the respective capital accounts and sub-accounts of the Members in proportion to their respective contributed capital in the Company. Members will not be entitled to redeem their Units in the Company. Under the terms of the Investment Company Agreement, a Member will have only limited rights to transfer Units to Immediate Family Members or other Eligible Investors, with the consent of the Manager. In no event will any person become a Member unless that person is an Eligible Investor.

8. The Investment Company Agreement provides that the Manager may require a member to withdraw from the Company: (a) If the Member fails to make all or any portion of one of the contributions required under the Investment Company Agreement; (b) if a Member ceases to be an Accredited Investor; (c) if the Company were to be subject to possible adverse tax consequences were a particular Member to remain a Member; (d) if the continued membership of the Member would violate applicable law or regulations or require the Company to register as an investment company under the federal securities laws; (e) a Member is convicted or pleads nolo contendere to a crime, or commits a fraud or defalcation, against the Company, GFInet or any Affiliated Company; (f) a Member competes with, solicits the employees, customers or accounts of, or misappropriates the trade secrets of GFInet or any Affiliated Company; (g) the Member's employment is terminated for cause or the Member terminates employment prior to the end of the term of any employment agreement with GFInet or any Affiliated Company; (h) a Member becomes disabled for specific periods of time; (i) a Member becomes

The value of the withdrawing Member's Units will be at least the lesser of (a) the amount actually paid by the Member to acquire the Units (plus interest, as determined by the Manager); or (b) the fair market value of the Units as determined at the time of repurchase by the Manager.

10. The terms of the withdrawals will be fully disclosed to each Eligible Investor at the time the Eligible Investor is invited to participate in the Company. The Company will send its Members an annual report regarding its operations, containing financial statements audited by independent accountants. The Company will maintain a file containing any financial statements and other information received from GFInet or issuers of Temporary Investments, if any, held by the Company, and will make such file available for inspection by Members. In addition, within 90 days after the end of each fiscal year, or as soon as practicable thereafter, the Company will transmit to each Member a report indicating his share of the income or losses of the Company for federal income tax purposes.

11. The Company expects to liquidate upon the initial public offering of GFInet securities or upon the end of any lock-up period that may be imposed upon the Company in connection with any public, firm commitment, underwritten, initial public offering pursuant to an effective registration statement under the 1933 Act. No compensation will be paid by the Company to the directors or officers of GFInet or the Manager for their services to the Company other than reimbursement for reasonable and necessary out-of-pocket expenses incurred during the course of

conducting the business of the Company.

Applicants' Legal Analysis

1. Section 6(b) of the Act provides, in part, that the Commission will exempt employees' securities companies from the provisions of the Act to the extent that the exemption is consistent with the protection of investors. Section 6(b) provides that the Commission will consider, in determining the provisions of the Act from which the company should be exempt, the company's form of organization and capital structure, the persons owning and controlling its securities, the price of the company's securities and the amount of any sales load, how the company's funds are invested and the relationship between the company and the issuers of the securities in which it invests. Section 2(a)(13) defines an employees' securities company, in relevant part, as any investment company all of whose securities are beneficially owned (a) by current or former employees, or persons on retainer, of one or more affiliated employers, (b) by immediate family members of such persons, or (c) by such employer or employers together with any of the persons in (a) or (b).

2. Section 7 of the Act generally prohibits an investment company that is not registered under section 8 of the Act from selling or redeeming its securities. Section 6(e) provides that, in connection with any order exempting an investment company from any provision of section 7, certain provisions of the Act, as specified by the Commission, will be applicable to the company and other persons dealing with the company as though the company were registered under the Act. Applicants request an order under sections 6(b) and 6(e) of the Act for an exemption from all provisions of the Act *except* section 9, section 17 (other than certain provisions of paragraphs (a), (d), (f), (g) and (j)), section 30 (other than certain provisions of paragraphs (a), (b), (e), and (h)), sections 36 through 53, and the rules and regulations thereunder.

3. Section 17(a) generally prohibits any affiliated person of a registered investment company, or any affiliated person of an affiliated person, acting as principal, from knowingly selling or purchasing any security or other property to or from the company. Applicants requests an exemption from section 17(a) to permit the Company (a) to purchase from GFInet securities to be issued by GFInet; (b) to sell to GFInet, or any affiliated person thereof (or any affiliated person of such an affiliated person) GFInet securities or Temporary Investments previously acquired by the

Company; and (c) to participate as a selling security-holder in a public offering of GFInet securities or in which GFInet or any affiliated person thereof (or any affiliated person or an affiliated person) acts as or represents a member of the selling group.

4. Applicants state that an exemption from section 17(a) is consistent with the protection of investors and the purposes of the Act. Applicants state that Company will ultimately be entirely invested in securities of GFInet. Applicants state that Members will be informed of the risks inherent in investing in the Company, the extent of the Company's dealings with GFInet, and the details of such investment. Applicants also state that, as financially sophisticated professionals, the Eligible Investors will be able to evaluate the attendant risks. Applicants assert that the community of interest among the Members and GFInet will provide the best protection against any risk of abuse.

5. Section 17(d) of the Act and rule 17d-1 prohibit any affiliated person or principal underwriter of a registered investment company, or any affiliated person of an affiliated person or principal underwriter, acting as principal, from participating in any joint arrangement with the company unless authorized by the Commission. Applicants request approval to permit the Company to make investments in which GFInet, or any affiliated person of the Company or GFInet, or an affiliated person of such person, is a participant or plans concurrently or otherwise directly or indirectly to become a participant.

6. Applicants submit that any joint investments will not involve abuses of the type section 17(d) and rule 17d-1 were designed to prevent. Applicants state that the Company will participate in the purchase of GFInet shares on the same terms as those offered to any affiliated person or unrelated party. Applicants note that the Company will primarily be organized for the benefit of the Eligible Investors, as an incentive for them to remain with GFInet and for the generation and maintenance of goodwill.

7. Section 17(f) designates the entities that may act as investment company custodians, and rule 17f-1 imposes certain requirements when the custodian is a member of a national securities exchange. Rule 17f-2 under the Act specifies the requirements that must be satisfied for a registered management investment company to act as a custodian of its own investments. Applicants request an exemption from section 17(f) and rule 17f-2 to permit the following exceptions from the

requirements of rule 17f-2: (a) compliance with paragraph (b) of the rule may be achieved through safekeeping in the locked files of the Manager or GFInet; (b) for purposes of paragraph (d) of the rule: (i) employees, the Manager or GFInet will be deemed employees of the Company, (ii) officers of the Company or the Manager or GFInet will be deemed to be officers of such Company; and (iii) the Manager or the directors of the Manager or GFInet will be deemed to be the board of directors of the Company; and (c) instead of the verification procedure under paragraph (f) of the rule, verification will be effected quarterly by two employees of GFInet or the Manager. Applicants expect that the Company's investments in GFInet securities will be evidenced only by non-negotiable share certificates and the Company's Temporary Investments, if any, will be evidenced only by book-entry, rather than negotiable certificates. Applicants assert that these instruments are most suitably kept in the Company's files, where they can be referred to as necessary.

8. Section 17(g) and rule 17g-1 generally require the bonding of officers and employees of a registered investment company who have access to its securities or funds. Rule 17g-1 requires that a majority of directors who are not interested persons take certain actions and give certain approvals relating to fidelity bonding. Applicants request relief to permit the Manager's officers and directors, who may be deemed interested persons, to take actions and make determinations as set forth in the rule. Applicants state that, because it is likely that all of the officers and directors of the Manager will be affiliated persons, the Company could not comply with rule 17g-1 without the requested relief. Applicants also state that the Company will comply with all other requirements of rule 17g-1.

9. Section 17(j) and rule 17j-1 make it unlawful for certain enumerated persons to engage in fraudulent or deceptive practices in connection with the purchase or sale of a security held or to be acquired by a registered investment company. Rule 17j-1 also requires that every registered investment company adopt a written code of ethics requiring that every person of the investment company report personal securities transactions. Applicants request an exemption from the provisions of rule 17j-1, except for the anti-fraud provisions of rule 17j-1(b), because they are unnecessarily burdensome as applied to the Company.

10. Applicants request an exemption from the requirements in sections 30(a),

30(b) and 30(e), and the rules under those sections, that registered investment companies prepare and file with the Commission and mail to their shareholders certain periodic reports and financial statements. Applicants contend that the forms prescribed by the Commission for periodic reports have little relevance to the Company and would entail administrative and legal costs that outweigh any benefit to the Members. Applicants request exemptive relief to the extent necessary to permit the Company to report annually to its Members in the manner prescribed for the Company in the Investment Company Agreement. Applicants also request an exemption from section 30(h) to the extent necessary to exempt the officers and directors of the Manager or others who may be deemed members of an advisory board of the Company from filing Forms 3, 4 and 5 under section 16(a) of the Securities Exchange Act of 1934 ("1934 Act") with respect to their ownership of Units in the Company. Applicants assert that, because there will be no trading market and the transfer of Units is severely restricted, these filings are unnecessary for the protection of investors and burdensome to those required to make them.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Each proposed transaction otherwise prohibited by section 17(a) or section 17(d) and rule 17d-1 to which the Company is a party (the "Section 17 Transactions") will be effected only if the Manager determines that: (a) the terms of the transaction, including the consideration to be paid or received, are fair and reasonable to the Members of the Company and do not involve overreaching of the Company or its Members on the part of any person concerned; and (b) the transaction is consistent with the interests of the Members of the Company, the Company's organizational documents and the Company's reports to its Members.

In addition, the Manager of the Company will record and preserve a description of Section 17 Transactions, its findings, the information or materials upon which its findings are based and the basis for the findings. All such records will be maintained for the life of the Company and at least two years thereafter, and will be subject to examination by the Commission and its staff. All such records will be maintained in an easily accessible place for at least the first two years.

2. If purchases or sales are made from or to an entity affiliated with the Company by reason of a 5% or more investment in such entity by the officers, directors or employees of the Manager, such officers, directors, or employees will not participate in the determination of whether or not to make such investment available to the Members of the Company.

3. In connection with the Section 17 Transactions, the Manager will adopt, and periodically review and update, procedures designed to ensure that reasonable inquiry is made, prior to the consummation of any Section 17 Transaction, with respect to the possible involvement in the transaction of any affiliated person or promoter or principal underwriter for the Company, or any affiliated person of such a person, promoter or principal underwriter.

4. The Manager of the Company will not make available to Members of the Company any investment in which a "Coinvestor" (as defined below) has acquired or proposes to acquire the same class of securities of the same issuer, if the investment involves a joint enterprise or other joint arrangement within the meaning of rule 17d-1 in which the Company and the Coinvestor are participants, unless any such Coinvestor, prior to disposing of all or part of its investment (a) gives the Members of the Company holding such investment sufficient, but not less than one day's, notice of its intent to dispose of its investment; and (b) refrains from disposing of its investment unless the Members of the Company holding such investment have the opportunity to dispose of their investment prior to or concurrently with, and on the same terms as, and pro rata with, the Coinvestor. The term "Coinvestor" means any person who is: (a) an "affiliated person" (as such term is defined in section 2(a)(3) of the Act) of the Company; (b) the Manager and any entities controlled by the Manager; (c) a current or former officer, director or employee of the Manager; (d) an investment vehicle offered, sponsored, or managed by the Manager or an affiliated person of the Manager; or (e) a company in which the Manager or an officer or director of the Manager acts as an officer, director, or general partner, or has a similar capacity to control the sale or other disposition of the company's securities. The restrictions contained in this condition, however, will not be deemed to limit or prevent the disposition of an investment by a Coinvestor: (a) to its direct or indirect wholly owned subsidiary, to any company (a "parent") of which such

Coinvestor is a direct or indirect wholly owned subsidiary, or to a direct or indirect wholly owned subsidiary of its parent; (b) to immediate family members of such Coinvestor or a trust or other investment vehicle established for any such family member; (c) when the investment is comprised of securities that are listed on any exchange registered as a national securities exchange under section 6 of the 1934 Act; or (d) when the investment is comprised of securities that are national market system securities pursuant to section 11A(a)(2) of the 1934 Act and rule 11Aa2-1 under the 1934 Act.

5. The Company will send to each Member who had an interest in the Company at any time during the fiscal year then ended, Company financial statements audited by independent accountants. At the end of each fiscal year, the Manager will make a valuation or have a valuation made of all of the assets of the Company as of such fiscal year end in a manner consistent with customary practice with respect to the valuation of assets of the kind held by the Company. In addition, within 90 days after the end of each fiscal year of the Company or as soon as practicable thereafter, the Manager will send a report to each person who was a Member at any time during the fiscal year then ended, setting forth such tax information as shall be necessary for the preparation by the Member of his or its federal and state income tax returns and a report of the investment activities of the Company during such year.

6. The Company will maintain and preserve, for the life of the Company and at least two years thereafter, such accounts, books, and other documents as constitute the record forming the basis for the financial statements and annual reports of the Company to be provided to the Members, and agree that all such records will be subject to examination by the Commission and its staff. All such records will be maintained in an easily accessible place for at least the first two years.

For the Commission, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,
Deputy Secretary.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq's MFQS collects and disseminates data pertaining to the value of open-end and closed-end mutual funds and UITs. Currently, the MFQS disseminates the valuation data for over 11,000 funds. The MFQS facilitates this process by permitting funds included in the MFQS (or pricing agents designated by such funds) to use the browser-based technology to transmit directly to Nasdaq a multitude of pricing information, including information about a fund's net asset value, offer price, and closing market price.

NASD Rule 7090 sets forth the fees assessed for the inclusion of mutual funds in the MFQS. NASD Rule 7090 currently provides for the assessment of an annual fee of \$400 per fund authorized for the News Media Lists, \$275 per fund authorized for the Supplemental List, and a one-time application processing fee of \$250 for each new fund authorized for either list. Funds authorized during the course of an annual billing period are assessed prorated fees, but no credit or refund accrues to funds terminated during an annual billing period. The application fee partially offsets the costs Nasdaq
