#### Defense Science Board; Notice of Meeting

**ACTION:** Notice of Advisory Committee Meetings.

**SUMMARY:** The Defense Science Board (DSB) Task Force Precision Targeting will meet in closed session March 29-30, 2001; April 19-20, 2001; May 10-11, 2001; June 14-15, 2001; and July 26-27, 2001, at SAIC, 4001 N. Fairfax Drive, Arlington, VA 22201. The Task Force will examine the full range of the precision weapons targeting in tactical military operations, from target execution, location, and identification through mission execution and damage assessment. Target types will include fixed installations and both transportable and mobile military force elements.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. The Task Force will review: all planned precision weapons programs and procurements to determine the degree to which these weapons are compatible with targeting requirements for different target classes; the degree to which existing and planned reconnaissance and surveillance assets are used to effectively develop target sets, real time targeting data and perform battle damage assessment under varied degrees of cover, concealment and deception; our ability to identify and precisely locate targets while minimizing false alarms using automatic target recognition techniques and precision location technologies; and our ability to attack moving targets.

In accordance with section 10(d) of the Federal Advisory Committee Act, Pub. L. No. 92-463, as amended (5 U.S.C. App. II), it has been determined that these Defense Science Board meetings, concern matters listed in 5 U.S.C. 552b(c)(1), and that accordingly these meetings will be closed to the public.

Dated: February 14, 2001.

#### Defense Science Board; Notice of Meeting

**ACTION:** Notice of Advisory Committee Meetings.

**SUMMARY:** The Defense Science Board (DSB) Task Force on Chemical Warfare Defense will meet in closed session on April 10, 2001, and April 24, 2001, at SAIC, 4001 N. Fairfax Drive, Arlington, VA 22201. The Task Force will assess the possibility of controlling the risk and consequences of a chemical warfare (CW) attack to acceptable national security levels within the next five years.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings, the Defense Science Board Task Force will assess current national security and military objectives with respect to CW attacks; CW threats that significantly challenge these objectives today and in the future; the basis elements (R&D, materiel, acquisition, personnel, training, leadership) required to control risk and consequences to acceptable levels, including counter-proliferation; intelligence, warning, disruption; tactical detection and protection (active and passive); consequence management; attribution and deterrence; and policy. The Task Force will also assess the testing and evaluation necessary to demonstrate and maintain the required capacity and any significant impediments to accomplishing this goal.

In accordance with section 10(d) of the Federal Advisory Committee Act, Pub. L. No. 92-463, as amended (5 U.S.C. App. II), it has been determined that these Defense Science Board meetings, concern matters listed in 5 U.S.C. 552b(c)(1), and that accordingly these meetings will be closed to the public.
