j. Delete KP.20 Functions, Paragraph L, in its entirety and replace with the following:

L. The Office of Administrative Services and Facilities Management (OASFM) directs and manages ACF's administrative support services, and facilities management programs and activities.

The Office provides, prepares, coordinates and disseminates information, policy and procedural guidance on administrative and facilities management issues on an agency-wide basis. It directs and/or coordinates management initiatives to improve ACF administrative and facilities management services with the goal of continually improving services while containing costs.

OASFM maintains budgetary controls on administrative services accounts, reconciling accounting reports and invoices, and monitoring all spending. The Office controls credit card for small purchases on behalf of the Agency. OASFM establishes and manages contracts and/or blanket purchase agreements for administrative support and facilities management services, including space design, building alteration and repair, telecommunications, reprographics, physical security, moving, labor, property management and inventory, systems furniture acquisitions and assembly, and fleet management.

The Office provides management and oversight of ACF mail delivery services and activities, including Federal and contractor postal services nationwide, covering all classes of U.S. Postal

Service mail, priority and express mail services, and courier services, etc.

OASFM directs all activities associated with the ACF Master Housing Plan, including coordination and development of the agency long-range space budget; planning, budgeting, identification, solicitation, acceptance and utilization of office and special purpose space, repairs, and alterations; serving as principal liaison with GSA and other Federal agencies, building managers and facilities engineers, architects and commercial representatives, for space acquisition, negotiation of lease terms, dealing with sensitive issues such as handicapped barriers, space shortages, and security. It develops and maintains space floor plans and inventories, directory boards, and locator signs. OASFM serves as the lead for ACF in coordination and liaison with Departmental, GSA, Federal Protective Service, and other Federal agencies on implementation of federal physical security directives. The Office is responsible for planning and executing the Agency's environmental health, safety and physical security programs, ensuring that appropriate occupational health and safety and occupant emergency evacuation plans are in place. It serves as principal liaison with private and/or Federal building managers for all administrative services and facilities management activities. The Office is responsible for issuing, managing and controlling badge and cardkey systems to control access to agency space for security purposes.

OASFM develops and/or implements agency telecommunications management policy in accordance with Federal regulations and procedures. The Office reviews and directs payment of agency telephone invoices. It recommends and advises on the design and function of telecommunications systems, based on user needs, costs and technological availability. OASFM communicates directly with private industry service providers to coordinate the acquisition, installation and maintenance of voice/data telecommunications equipment and systems. It is responsible for other sources of communications capability such as pagers, cellular phone service, cable TV service, and audio conferencing equipment and service. It updates and maintains the ACF LAN-based telephone directory, handles the distribution of all commercial directories and updates and maintains the databases for telephone lines and equipment inventories.

OASFM plans, manages/operates employee transportation programs, including shuttle service and fleet

management; employee and visitor parking; and commuter services and programs including transit subsidies and ridesharing. The Office develops and implements ACF travel policies and procedures consistent with Federal requirements. The Office provides technical assistance and oversight; coordinates ACF use of the Travel Management System; manages employee participation in the Travel Charge Card program, and coordinates Travel Management Center services for ACF. OASFM purchases and tracks common use supplies, stationery and publications. It plans and manages reprographic services.

The Office develops and implements policies and procedures for the ACF Personal Property Management Program, including managing the ACF Personal Property Inventory, and other personal property activities.
