

27113). CNG is engaged, through subsidiaries, in all phases of the natural gas business including distribution, transmission, exploration and production. CNG's three utility public subsidiaries, Dominion East Ohio, Dominion Peoples and Dominion Hope, serve approximately 1.7 million retail customers.

CNG seeks authorization to solicit consents and amend the indenture dated as of May 1, 1971, between CNG and the Chase Manhattan Bank, as successor Trustee ("1971 Indenture") as supplemented by 19 supplemental indentures. In connection with a 20th supplemental indenture, CNG proposes to effect changes in the 1971 Indenture ("Amendments"). Currently there are three series of debentures outstanding under the 1971 Indenture as follows:¹

Debentures	Principal Amount
5 ¾% Debentures due August 1, 2003	\$150,000,000
6 ⅝% Debentures due December 1, 2013	150,000,000
8 ¾% Debentures due October 1, 2019	71,010,000
Total outstanding	371,010,000

CNG requests authority to solicit consents from holders of the 5¾% Debentures due August 1, 2003 and the 6⅝% Debentures due December 1, 2013 (collectively, "Debentures").² CNG contemplates that a consent solicitation statement and accompanying materials (which consist of a consent letter, a form of beneficial owner proxy authorizing a registered owner to consent, a letter to nominees such as brokers and dealers and a form letter to be used by nominees to advise their clients of the consent solicitation) will be mailed or hand delivered to holders of the Debentures ("Debentureholders"). Debentureholders of 66⅔% in principal amount of each series of Debentures and of all the Debentures collectively must consent to the amendments in order for them to become effective. If the required consents are received, CNG will pay a consent fee to each Debentureholder who has delivered a valid consent before the expiration date as set by CNG.

CNG also currently has outstanding \$1,350,000,000 principal amount in debt securities under an indenture dated as of April 1, 1995 between CNG and

United States Trust Company of New York, as trustee ("1995 Indenture"). CNG plans to amend the 1971 Indenture to remove certain covenant restrictions. CNG states the effect of these amendments will, in general, be to eliminate covenants and restrictions found in the 1971 Indenture but not in the 1995 Indenture.

Specifically, CNG proposes to amend the 1971 Indenture as follows: (1) Delete section 6.05, which imposes restrictions on the sale of common or voting shares; (2) delete section 6.06, which imposes restrictions on additional funded debt of CNG and its subsidiaries and preferred stock of subsidiaries; (3) delete section 6.07, which imposes other restrictions on additional funded debt and preferred stock of new subsidiary companies; (4) delete section 6.08, which imposes restrictions on the payment of dividends; (5) delete section 6.09, which imposes restrictions on consolidation, merger or transfer of property unless specified ratios are complied with; (6) delete section 6.10, which requires CNG to file officers' certificates evidencing compliance with certain of the provisions of sections 6.06 through 6.09,³ (7) CNG will agree for the benefit of the Debentureholders that it will comply with all covenants and restrictions in the 1995 Indenture; and (8) CNG will agree not to issue any additional debentures under the 1971 Indenture.

CNG states that neither the 1995 Indenture nor any of CNG's other credit arrangements contain restrictions of the kind imposed by sections 6.05 through 6.10 of the 1971 Indenture. CNG asserts the removal of these restrictions provides CNG with greater freedom to incur debt, pay dividends and engage in restructuring transactions that would otherwise be prohibited by the terms of the 1971 Indenture. CNG further asserts the amendments would update the terms of the 1971 Indenture to those generally accepted in capital markets for borrowers of the financial stature of CNG and DRI.

CNG requests that an order authorizing the solicitation of consents be issued as soon as practicable under rule 62(d).

[Release No. 34-43992; File No. 4-208]

Joint Industry Plan; Notice of Filing of Proposed Plan Establishing Procedures Under Rule 11Ac1-5 by the American Stock Exchange, Boston Stock Exchange, Chicago Stock Exchange, Cincinnati Stock Exchange, National Association of Securities Dealers, New York Stock Exchange, Pacific Exchange, and Philadelphia Stock Exchange

February 21, 2001.

I. Introduction

On February 20, 2001, pursuant to Rule 11Aa3-2 under the Securities Exchange Act of 1934 ("Exchange Act"),¹ the American Stock Exchange LLC ("Amex"), Boston Stock Exchange, Inc. ("BSE"), Chicago Stock Exchange, Inc. ("CHX"), Cincinnati Stock Exchange, Inc. ("CSE"), National Association of Securities Dealers, Inc. ("NASD"), New York Stock Exchange, Inc. ("NYSE"), Pacific Exchange, Inc. ("PCX") and Philadelphia Stock Exchange, Inc. ("Phlx") filed with the Securities and Exchange Commission ("SEC" or "Commission") a proposed plan ("Plan") for the purpose of establishing procedures for market centers to follow in making their monthly reports available to the public under Exchange Act Rule 11Ac1-5.² Pursuant to Rule 11Aa3-2(c)(1), the Commission is publishing this notice of, and requesting comments on, the Plan.

II. Background

On November 17, 2000, the Commission adopted Rule 11Ac1-5, which requires public disclosure of order execution information.³ Under the Rule, all "market centers"⁴ that trade national market system securities are required to make available to the public monthly electronic reports that include uniform statistical measures of execution quality. Paragraph (b)(2) of the Rule directs the self-regulatory organizations ("SROs") that trade national market system securities to act jointly in establishing procedures for market centers to follow in making their monthly reports available to the public

² 17 CFR 240.11Ac1-5.

³ Securities Exchange Act Release No. 43590 (November 17, 2000), 65 FR 75414.

⁴ The term "market center" is defined in Rule 11Ac1-5(a)(14) as "any exchange market maker, OTC market maker, alternative trading system, national securities exchange, or national securities association."

¹ The three series of debentures are listed on the New York Stock Exchange and were authorized by the Commission. See Holding Co. Act Release No. 25800 (April 21, 1993) and Holding Co. Act Release No. 24896 (May 31, 1989).

² CNG states that the 8¾% Debentures due October 1, 2019 were called for redemption on February 16, 2001 at a redemption price of \$103.42.

³ Either some portions, or the entirety, of sections 6.05 through 6.10 may be deleted as a result of the proposed amendments.

in a uniform, readily accessible, and usable electronic format.

III. Summary of Plan

The full text of the Plan is set forth in the Appendix and should be referred to for all details of Plan procedures. In general, each market center required by the Rule to make monthly reports available to the public must prepare such reports in the form of electronic data files that meet the requirements set forth in Sections V and VI of the Plan. Section V, for example, provides that market center files must be in standard, pipe-delimited ASCII format, and Section VI(a) sets forth the 26 fields of information that market center files must include (in order), as well as formatting instructions for the fields. A market center must make its files available for downloading on an Internet site ("Download Site") in accordance with the provisions set forth in Section VII of the Plan (e.g., the site must be free of charge and readily accessible to the public).

Under Section VIII of the Plan, each market center must make arrangements with a single SRO that is a Participant in the Plan to act as the market center's "Designated Participant." A market center must notify its Designated Participant of a hyperlink to the market center's Download Site. Finally, each Participant SRO will maintain an Internet site that includes a comprehensive list of links ("Link Site") where the files can be obtained for all of the market centers for which the Participant functions as a Designated Participant. As a result, anyone who wishes to download all files for a month can be assured that, if they visit the Internet sites of all Participants, they will find hyperlinks to all files for the month.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed Plan is consistent with the Exchange Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments to the proposed Plan, all written statements with respect to the proposed Plan that are filed with the Commission, and all written communications relating to the proposed Plan between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5

U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. All submissions should refer to File No. 4-208 and should be submitted by March 20, 2001.

By the Commission.

Deputy Secretary.

If there is no data for a particular field within a record (e.g., the Rule does not require such information for inside-

¹ An entity that acts as a market maker in different trading venues (e.g., as specialist on an exchange and as an OTC market maker) would be considered as a separate market center under the Rule for each of those trading venues. Consequently, the entity should arrange for a Designated Participant for each market center/trading venue (e.g., an exchange for its specialist trading and an association for its OTC trading).

² For each individual security, there are five order types that could each be broken down into four size buckets.

the-quote limit orders, at-the-quote limit orders, and near-the-quote limit orders), the field shall be left empty.

VII. Internet Sites for Downloading Market Center Files

A market center shall make its compressed files available for downloading (via FTP) at a single page on an Internet site that is free of charge and readily accessible to the public.³ A market center shall make available on such page the files containing at least the three most recent monthly reports of the market center.

VIII. Functions of Designated Participant

Each market center shall be responsible for arranging with a single Participant to act as the market center's Designated Participant.⁴ The functions of a Designated Participant are as follows.

(a) Assignment of Market Center and File Identification Codes

A Designated Participant shall assign a unique market center identification code to each market center for which it acts as Designated Participant. If an individual market center's report will be included in a file that contains only that market center's report, the file identification code for the file shall be the same as the market center identification code. If an individual market center's report will be included in a file that contains any additional market center's report (e.g., if the reports for all of an exchange's specialists are included in a single file), the Designated Participant also shall assign a separate file identification code for such file. All Designated Participants will act jointly to assure that no market center or file is assigned a code that previously has been assigned (e.g., by circulating advance notice to all Participants of codes that have been assigned).

(b) Maintenance of Market Center Identification Files

A Designated Participant shall create and maintain a market center identification file (in standard, pipe-delimited ("|") ASCII format) for each calendar month. Such file shall contain fields setting forth, in order, (A) the identification code for the Designated Participant (as set forth in Section VI(a)(1) of the Plan); (B) all market center identification codes that the Designated Participant has assigned for the month, (C) the full name of the market center (in upper case), and (D) the file identification code applicable to each market center (if different from the market center identification code). A Designated Participant shall make at least the three most recent market center identification files available for downloading (via FTP) on an

Internet site that is free of charge and easily accessible to the public.

(c) Maintenance of Internet Site with Links to Download Sites

A market center shall notify its Designated Participant of the hyperlink to the location where the market center's files can be downloaded in accordance with Section VII of the Plan. A Designated Participant shall maintain a comprehensive list of the hyperlinks provided by its market centers at the same location at which market center identification files can be downloaded in accordance with Section VIII(b) of the Plan. As a result, anyone who wishes to download all files for a month can be assured that, if they visit the Internet sites of all Participants, they will find hyperlinks to all files for the month.

(d) Change of Designated Participant

A market center may change the identity of its Designated Participant only by arranging with another Participant to act as a replacement. The Participant that has agreed to act as a replacement Designated Participant shall provide written notice of the change to all other Participants, as well as make such notice available on the Internet site maintained by the replacement Designated Participant under Section VIII(b) of the Plan. The notice shall specify both the past and new market center identification code and file identification code for the market center, or state that the codes have not changed. The change shall not be effective until 30 days after the date of the written notice.

IX. Internet References to Information Required by Rule

When referring to information on Internet sites that the Rule requires to be made available to the public, market centers and Designated Participants shall use the phrase "Disclosure of SEC-Required Order Execution Information."

X. Specifying Regular Trading Hours Under the Rule

With respect to the meaning of the term "regular trading hours" under paragraph (a)(19) of the Rule, the Participant who maintains the primary listing for a national market system security shall specify the regular trading hours for such security if they are to be other than the time between 9:30 a.m. and 4:00 p.m. Eastern Time. To effect a specification of regular trading hours under this Section X, a Participant shall submit a proposed rule change to the SEC under Section 19 of the Exchange Act. A Participant may specify as regular trading hours for a security only those times when the Participant itself is trading the security.

XI. Withdrawal from Plan

If a Participant ceases to be subject to the Rule or obtains SEC approval for another means of complying with the Rule, such Participant may withdraw from the Plan at any time on not less than 30 days' prior written notice to each of the other Participants. At such time, the withdrawing Participant shall have no further rights or obligations under the Plan.

XII. Counterparts and Signatures

The Plan may be executed in any number of counterparts, no one of which need contain all signatures of all Participants, and as many of such counterparts as shall together contain all such signatures shall constitute one and the same instrument.

In Witness Whereof, this Plan has been executed as of the 20th day of February 2001 by each of the parties hereto.
