

National Health Objectives for the Year 2000

The Public Health Service is committed to achieving the health promotion and disease prevention objectives of Healthy People 2000, and its successor, Healthy People 2010. These are Department-led efforts to set priorities for national attention. The CHGME program is related to the priority area 1 (Access to Quality Health Services) in Health People 2010, which is available online at <http://www.health.gov/healthypeople>.

Education and Service Linkage

As part of its long-range planning, HRSA will be targeting its efforts to strengthening linkages between Department education programs and programs which provide comprehensive primary care services to the underserved.

Smoke-Free Workplace

The Department strongly encourages all award recipients to provide a smoke-free workplace and promote abstinence from all tobacco products, and Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities that receive Federal funds in which education, library, day care, health care, and early childhood development services are provided to children.

This program is not subject to the Public Health Systems Reporting Requirements.

ACTION: Shooting closure order.

SUMMARY: This order, issued under the authority of 43 CFR 8364.1 closes public lands along the North Hardscrabble Access Road to recreational target shooting for the purpose of enhancing public safety. For this closure order, recreational target shooting is defined as the discharge of any weapon for any purpose other than the lawful taking of a game animal recognized by the State of Colorado. The affected public land is generally located east and south of the Town of Gypsum, CO, off of Eagle County Spring Creek Road, 102A.

This action is in accordance with the Glenwood Springs Resource Management Plan, Record of Decision (BLM, 1984). This order, issued under the authority of 43 CFR 8364.1, is established to protect persons, property, public lands and resources.
