#### Medicare, Medicaid, and CLIA Programs; Continuance of the Approval of the American Society for Histocompatibility and Immunogenetics as a CLIA Accreditation Organization

**AGENCY:** Health Care Financing Administration (HCFA), HHS.

**ACTION:** Notice.

**SUMMARY:** This notice announces the continued approval of the American Society for Histocompatibility and Immunogenetics (ASHI) as an accreditation organization for clinical laboratories under the Clinical Laboratory Improvement Amendments of 1988 (CLIA) program. We have determined that the accreditation process of this organization provides reasonable assurance that the laboratories accredited by ASHI meet the conditions required by CLIA and its implementing regulations. These laboratories are, however, subject to Federal validation and complaint investigation surveys.

**EFFECTIVE DATE:** This notice is effective for the period March 5, 2001 through October 31, 2006.
