

February 1, 2001, through January 31, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before February 1, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Nekoosa Packaging Corporation is authorized to continue operation of the Holcomb Rock Project No. 2901 until such time as the Commission acts on its application for subsequent license.

David P. Boergers,

Secretary.

[Project No. 2060]

Niagara Mohawk Power Corporation; Notice of Authorization for Continued Project Operation

February 28, 2001.

On January 28, 1999, Niagara Mohawk Power Corporation, licensee for the Carry Falls Project No. 2060, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2060 is located on the Raquette River in St. Lawrence County, New York.

The license for Project No. 2060 was issued for a period ending January 31, 2001. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with

the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2060 is issued to Niagara Mohawk Power Corporation for a period effective February 1, 2001, through January 31, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before February 1, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Niagara Mohawk Power Corporation is authorized to continue operation of the Carry Falls Project No. 2060 until such time as the Commission acts on its application for subsequent license.

[Docket No. GT01-7-001]

Overthrust Pipeline Company; Notice of Tariff Filing

February 28, 2001.

Take notice that on February 20, 2001, Overthrust Pipeline Company (Overthrust) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1-A, Third Revised Sheet No. 56, to be effective February 12, 2001.

Overthrust stated that the purpose of this filing was to comply with the Commission's February 12, 2001, order in Docket No. GT01-7-000, wherein the Commission approved certain tariff sheets and rejected Sheet No. 56 without prejudice to Overthrust filing a

correctly paginated version. Therefore, Overthrust has modified the pagination of Sheet No. 56.

Overthrust states that a copy of this filing has been served upon its customers, the Public Service Commission of Utah, and the Public Service Commission of Wyoming.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestant parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

Comments and protests may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.

[Project No. 2897]

S. D. Warren Company; Notice of Authorization for Continued Project Operation

February 28, 2001.

On January 22, 1999, S. D. Warren Company, licensee for the Saccarappa Project No. 2897, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2897 is located on the Presumpscot River in Cumberland County, Maine.

The license for Project No. 2897 was issued for a period ending January 26, 2001. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the

prior license until a new license is issued, or the project is otherwise disposed of as provided section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of Section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the mirror or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2897 is issued to S. D. Warren Company for a period effective January 27, 2001, through January 26, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before January 27, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that S. D. Warren Company is authorized to continue operation of the Saccarappa Project No. 2897 until such time as the Commission acts on its application for subsequent license.

David P. Boergers,
Secretary.

[Project No. 2931]

S.D. Warren Company; Notice of Authorization for Continued Project Operation

February 28, 2001.

On January 22, 1999, S.D. Warren Company, licensee for the Gambo

Project No. 2931, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2931 is located on the Presumpscot River in Cumberland County, Maine.

The license for Project No. 2931 was issued for a period ending January 26, 2001. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2931 is issued to S.D. Warren Company for a period effective January 27, 2001, through January 26, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before January 27, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(12) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that S.D. Warren Company is authorized to continue operation of the Gambo Project No. 2931 until such time as the Commission acts on its application for subsequent license.

[Project No. 2941]

S.D. Warren Company; Notice of Authorization for Continued Project Operation

February 28, 2001.

On January 22, 1999, S.D. Warren Company, licensee for the Little Falls Project No. 2941, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2941 is located on the Presumpscot River in Cumberland County, Maine.

The license for Project No. 2941 was issued for a period ending January 26, 2001. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2941 is issued to S.D. Warren Company for a period effective January 27, 2001, through January 26, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before January 27, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the
