[Project No. 2942]

S.D. Warren Company; Notice of Authorization for Continued Project Operation

February 28, 2001.

On January 22, 1999, S.D. Warren Company, licensee for the Dundee Project No. 2942, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2942 is located on the Presumpscot River in Cumberland County, Maine.

The license for Project No. 2942 was issued for a period ending January 26, 2001. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2942 is issued to S. D. Warren Company for a period effective January 27, 2001, through January 26, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before January 27, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that S. D. Warren Company is authorized to continue operation of the Dundee Project No. 2942 until such time as the Commission acts on its application for subsequent license.

[Project No. 2932]

S. D. Warren Company; Notice of Authorization for Continued Project Operation

February 28, 2001.

On January 22, 1999, S. D. Warren Company, licensee for the Mallison Falls Project No. 2932, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2932 is located on the Presumpscot River in Cumberland County, Maine.

The license for Project No. 2932 was issued for a period ending January 26, 2001. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR

16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to Section 15 of the FPA, notice is hereby given that an annual license for Project No. 2932 is issued to S. D. Warren Company for a period effective January 27, 2001, through January 26, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before January 27, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that S. D. Warren Company is authorized to continue operation of the Mallison Falls Project No. 2932 until such time as the Commission acts on its application for subsequent license.

[Docket No. RP01-205-001]

Southern Natural Gas Company; Notice of Tariff Filing

February 28, 2001.

Take notice that on February 23, 2001, Southern Natural Gas Company (Southern), tendered for filing as part of its FERC Gas Tariff, Seventh Revised Volume No. 1, the following tariff sheets, with an effective date of February 1, 2001:

Fourth Revised Sheet No. 23

Third Revised Sheet No. 24

Third Revised Sheet No. 25

Substitute Third Revised Sheet No. 208

Southern states that the purpose of the filing is to clarify that Southern may file either the negotiated rate contract or a tariff sheet with the contract information and negotiated rate formula or rate and to provide an explanation of Southern's proposal regarding the prevention of cost-shifting from negotiated rate shippers to recourse rate shippers both in compliance with the Commission's order dated January 24, 2001 in Docket No. RP01-205.

Southern states that copies of the filing will be served upon its shippers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments and protests may be filed electronically via the internet in lieu of paper. Transcontinental Gas Pipe Line Corporation; Notice of Compliance Filing

February 28, 2001.

Take notice that on February 16, 2001 Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the tariff sheets listed below with a proposed effective date of February 1, 2001:

Substitute Eleventh Revised Sheet No. 42
Substitute Ninth Revised Sheet No. 46
Fifth Revised Sheet No. 171

Transco states that the purpose of the instant filing is to supplement Transco's compliance filing in Docket Nos. RP97-71-021 & RP97-71-020 of February 1, 2001 (February 1 Filing), which inadvertently neglected to reflect the Rate Schedule IT tariff modifications specifically relating to transportation serve received at Washington Storage field and delivered in Zone 3. These modifications are necessary in order to comply with the Commission's final resolution of the backhaul rate equals to the forward haul rate under Transco's Rate Schedule IT. Accordingly, Transco is submitting Substitute Eleventh Revised sheets No. 42 and Substitute Ninth Revised Sheet No. 46 to replace the respective tariff sheets in the February 1 Filing and also submitting Fifth Revised Sheet No. 171 as an addition to the February 1 Filing.

Transco states that copies of the filing are being mailed to each of its affected customers, interested State Commissions, and other interested parties.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings.
