

m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Any filings must bear in all capital letters the title "COMMENTS," "RECOMMENDATIONS FOR TERMS AND CONDITIONS," "PROTEST," or "MOTION TO INTERVENE," as applicable, and the Project Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

David P. Boergers,
Secretary.

Agency Information Collection Activities: Proposed Collection; Comment Request; Clean Air Act Tribal Authority

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), this document announces that EPA is planning to submit the following continuing Information Collection Request (ICR) to the Office of Management and Budget (OMB): Clean Air Act Tribal Authority, EPA ICR

Number 1676.02, and OMB Control No. 2060-0306, expiring 05/31/01. Before submitting the ICR to OMB for review and approval, EPA is soliciting comments on specific aspects of the proposed information collection as described below.

DATES: Comments must be submitted on or before May 7, 2001.

ADDRESSES: Office of Air and Radiation, Ariel Rios Building, 1200 Pennsylvania Ave., NW., Mail Code 6101-A, Washington, DC 20460. Interested persons may request a copy of the ICR without charge from the contact person below.

FOR FURTHER INFORMATION CONTACT: Tony Bynum, tel.: (202) 564-1389; fax: (202) 564-2057; e-mail: bynum.tony@epa.gov.

SUPPLEMENTARY INFORMATION:

Affected entities: Entities potentially affected by this action are those which request Clean Air Act Tribal Authority.

Title: Clean Air Act Tribal Authority (OMB Control No. 2060-0306; EPA ICR No. 1676.02) expiring 05/31/01, renewal.

Abstract: This ICR requests clearance of EPA's review and approval process for determining Tribal eligibility to carry out the Clean Air Act (CAA). Tribes may choose to submit a CAA eligibility determination and a CAA program application to EPA at the same time for approval and EPA will review both submittals simultaneously. EPA will use this information to determine if a Tribe meets the statutory criteria under section 301(d) of the CAA and is qualified for purposes of implementing an Air Quality Program. Section 114 of the CAA is the authority for the collection of information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR chapter 15.

The EPA would like to solicit comments to:

(i) evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) enhance the quality, utility, and clarity of the information to be collected; and

(iv) minimize the burden of the collection of information on those who

are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Burden Statement: The annual public reporting and record keeping burden for this collection of information is estimated to average 40 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Dated: February 22, 2001.

Robert D. Brenner,

Acting Assistant Administrator, Office of Air and Radiation.

SUPPLEMENTARY INFORMATION:

Title: The New Source Performance Standards (NSPS) for Volatile Organic Liquid Storage Vessels at 40 CFR part 60, Subpart Kb (OMB Control Number 2060-0074, EPA ICR Number 1132.06), expiration date February 28, 2001. This is a request for an extension of a currently approved collection.

Abstract: The notification of construction, reconstruction or modification indicates when a storage vessel becomes subject to the standards. The information generated by the inspecting, recordkeeping and reporting requirements is used by the Agency to ensure that the storage vessel affected by the NSPS continues to operate the control equipment in a manner that helps achieve compliance with the NSPS.

Information is recorded in sufficient detail to enable owners or operators to demonstrate the means of complying with the applicable standards. Under this standard, the data collected by the affected owner/operator is retained at the facility for a minimum of two years and made available to the Administrator either on request or by inspection.

The information generated by the recordkeeping and reporting requirements are used by the Agency to ensure that facilities affected by the NSPS continue to operate in compliance with the NSPS.

The information collected from the recordkeeping and reporting requirements is also used for targeting inspections, and is of sufficient quality to be used as evidence in court.

Collection of this information is authorized at 40 CFR 60.7 and 60.110b. Any information submitted to the Agency, for which a claim of confidentiality is made, will be safeguarded according to the Agency policies set forth in Title 40, chapter 1, part 2, subpart B—Confidentiality of Business Information (see 40 CFR part 2: 41 FR 36902, September 1, 1976; amended by 43 FR 40000, September 8, 1978; 43 FR 42251, September 20, 1978; 44 FR 17674, March 23, 1979). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR chapter 15. The **Federal Register** Notice required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on December 22, 2000 (65 FR 80854). No comments were received.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 1 hour per respondent. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities:

Owners of storage vessels for petroleum liquids and synthetic organic chemicals.

Estimated Number of Respondents: 580.

Frequency of Response: Semi-annually, Annually, Initial Reports.

Estimated Total Annual Hour Burden: 74,606 hours.

Estimated Total Annualized Capital, O&M Cost Burden: \$4,714,690.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the following addresses. Please refer to EPA ICR No. 1132.06 and

OMB Control No. 2060-0074 in any correspondence.

Dated: February 22, 2001.
