

ADDRESSES: A copy of the Final Environmental Impact Statement can be obtained from: Bureau of Land Management, Winnemucca Field Office, 5100 East Winnemucca Blvd., Winnemucca, Nevada 89445.

FOR FURTHER INFORMATION CONTACT: Jeffrey D. Johnson, Project Manager, at the above Winnemucca Field Office address or telephone (775) 623-1500.

SUPPLEMENTARY INFORMATION: The Final Environmental Impact Statement has been produced in its entirety the analysis originally presented in the Draft Environmental Impact Statement (issued February 11, 2000). The Final Environmental Impact Statement analyzes the direct, indirect and cumulative impacts related to expansion of existing mine facilities (pits, overburden dumps & heap leach pads) and development of the 8-North and 5-North deposits. Development of these deposits includes construction of two new pits, overburden disposal areas, additional heap leach facilities, new tailing impoundment, drainage diversions, haul and exploration roads and ancillary facilities.

Alternatives analyzed include the Proposed Action, No Action, and the 8-South Partial Pit Backfill alternative. The Bureau of Land Management's preferred alternative is the 8-South Partial Pit backfill as described in the Final Environmental Impact Statement. The Final Environmental Impact Statement also responds to issues raised during the scoping period and comments received on the Draft Environmental Impact Statement.

Dated: February 22, 2001.

Douglas Dodge,

Acting Associate Field Manager.

Notice To Terminate Future Planning Action on the Sonoma-Gerlach and Paradise-Denio Management Framework Plan Amendment and Draft Environmental Impact Statement for the Black Rock Desert, Nevada

AGENCY: Bureau of Land Management, Winnemucca Field Office, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management has terminated any future planning action on the Sonoma-Gerlach and Paradise-Denio Management

Framework Plan Amendment and Draft Environmental Impact Statement (SG/PDMFPDEIS) for the Black Rock Desert. The decision to terminate this planning effort was made as a result of the recently enacted Black Rock Desert-High Rock Canyon Emigrant Trails National Conservation Area Act of 2000 or Public Law 106-554. The recently enacted legislation states that "Within three years following the date of enactment of this Act, the Secretary shall develop a comprehensive resource management plan for the long-term protection and management of the conservation area. The plan shall be developed with full public participation and shall describe the appropriate uses and management of the conservation area consistent with the provisions of this Act." Because the area specially designated by Public Law 106-554 overlaps the earlier planning area and is significantly larger, and to comply with the management plan criteria established in the Act, the existing planning effort will be terminated and a new site-specific Resource Management Plan will be developed for the National Conservation Area and associated Wilderness Areas.

Public input and issue identification obtained through the SG/PDMFPDEIS planning effort will be incorporated into the NCA plan where applicable.

DATES: Effective immediately.

FOR FURTHER INFORMATION CONTACT: Jeff Johnson, Planning/Environmental Coordinator, Winnemucca Field Office, 5100 E. Winnemucca Boulevard, Winnemucca, Nevada 89445, or call (775) 623-1500.

SUPPLEMENTARY INFORMATION: A separate Notice of Intent will be published in the **Federal Register** to initiate the planning effort associated with the Black Rock Desert-High Rock Canyon Emigrant Trails National Conservation Area Act of 2000.

Dated: February 27, 2001.

Douglas S. Dodge,

Associate Field Manager, Winnemucca, Nevada.

Notice of Proposed Reinstatement of Terminated Oil and Gas Lease

February 26, 2001.

Pursuant to the provisions of 30 U.S.C. 188(d) and (e), and 43 CFR 3108.2-3(a) and (b)(1), a petition for reinstatement of oil and gas lease WYW130586 for lands in Campbell County, Wyoming, was timely filed and was accompanied by all the required rentals accruing from the date of termination.

The lessee has agreed to the amended lease terms for rentals and royalties at rates of \$10.00 per acre, or fraction thereof, per year and 16 $\frac{2}{3}$ percent, respectively.

The lessee has paid the required \$500 administrative fee and \$158 to reimburse the Department for the cost of this **Federal Register** notice. The lessee has met all the requirements for reinstatement of the lease as set out in section 31(d) and (e) of the Mineral Lands Leasing Act of 1920 (30 U.S.C. 188), and the Bureau of Land Management is proposing to reinstate lease WYW130586 effective November 1, 2001, subject to the original terms and conditions of the lease and the
