

workers produced electronic connectors and cable assemblies. Information received from the State shows that Tyco Electronics purchased The Thomas and Betts Corporation in July, 2000. Information also shows that some workers separated from employment at Tyco Electronics had their wages reported under a separate unemployment insurance (UI) tax account for The Thomas and Betts Corporation.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Tyco Electronics, Irvine, California who were adversely affected by the shift of production to Mexico. The amended notice applicable to NAFTA-04399 is hereby issued as follows:

"All workers of Tyco Electronics, The Thomas Betts Corporation, Irvine, California who became totally or partially separated from employment on or after December 11, 1999 through January 4, 2003 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974."

Signed at Washington, DC this 28th day of February, 2001.

DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

[Prohibited Transaction Exemption 2000-66; Application No. D-10706]

Grant of Individual Exemption for Allfirst Bank (Allfirst)

AGENCY: Pension and Welfare Benefits Administration, Department of Labor (the Department).

ACTION: Notice of technical correction.

On December 21, 2000, the Department published in the **Federal Register** at 65 FR 80461 a notice of

individual exemption for Allfirst, which permits, as of November 13, 1998, the receipt of fees by Allfirst from the ARK Funds, open-end investment companies registered under the Investment Company Act of 1940, for acting as an investment adviser for such Funds, as well as for providing secondary services to the ARK Funds, in connection with the investment in shares of the ARK Funds by employee benefit plans for which Allfirst serves as a fiduciary.

Under the heading "Written Comments" (65 FR at 80463), the Department addressed the applicant's comment regarding a typographical error in Section I(l). However, the requested correction was inadvertently omitted from the published final exemption. In the final exemption, the last sentence in subparagraph (2) of Section I(l) should cross-reference

paragraph (i) instead of (j), while the very last sentence in Section I(l) should cross-reference paragraph (j) instead of (i). Thus, beginning from Section I(l)(2) (65 FR at 80462, center column), Section I(l) should read as follows:

(l)(2) For any Client Plan under this exemption, an addition of a Secondary Service (as defined in Section III(i) below) provided by Allfirst to the Fund for which a fee is charged, or an increase in the rate of any fee paid by the ARK Funds to Allfirst for any Secondary Service that results either from an increase in the rate of such fee or from the decrease in the number or kind of services performed by Allfirst for such fee over an existing rate for such Secondary Service that had been authorized by the Second Fiduciary of a Client Plan in accordance with paragraph (i) above;

Allfirst will, at least 30 days in advance of the implementation of such additional service for which a fee is charged or fee
