SUPPLEMENTARY INFORMATION:

I. Paperwork Reduction Act

The information collection requirements contained in Regulations, 29 CFR part 9, were previously approved by the Office of Management and Budget under the Paperwork Reduction Act of 1980 (Pub. L. 96–511) and assigned OMB Control Number 1215–0190.

II. Background

Executive Order 12933 of October 20, 1994—“Nondisplacement of Qualified Workers Under Certain Contracts,” provided that workers on a building service contract for a public building be given the right of first refusal for employment with a successor contractor if they would otherwise lose their jobs as a result of termination of the contract. The implementing regulations, 29 CFR part 9, were promulgated in accordance with the terms of Executive Order 12933 and were published in the Federal Register of May 22, 1997 (62 FR 28176). On February 17, 2001, President Bush signed Executive Order 13204—Revocation of Executive Order on Nondisplacement of Qualified Workers Under Certain Contracts (66 FR 11228; February 22, 2001). Executive Order 13204 directs the Secretary of Labor to terminate any investigations or other compliance actions based on Executive Order 12933, and to “promptly move to rescind any orders, rules, regulations, guidelines, or policies implementing or enforcing Executive Order 12933 of October 20, 1994.” Since the authority for these regulations no longer exists, the Department for good cause hereby finds that it is unnecessary and impracticable to afford notice and comment procedures on the rescission of the regulations at 29 CFR part 9, and that such rescission should be effective upon publication. As provided in Executive Order 13204, the revocation of Executive Order 12933 and the rescission of these regulations extend to all investigations or other compliance actions based on Executive Order 12933.

DEPARTMENT OF THE INTERIOR

Office of Surface Mining Reclamation and Enforcement

30 CFR Part 773

RIN 1029–AB94

Requirements for Permits and Permit Processing; Correction

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Final rule, correction.

SUMMARY: We, the Office of Surface Mining Reclamation and Enforcement, are publishing corrections to a final rule which was published on Tuesday, December 19, 2000 (65 FR 79582). The final rule related to requirements for permits and permit processing and ownership and control under the Surface Mining Control and Reclamation Act of 1977, as amended. EFFECTIVE DATE: March 23, 2001.

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION: We are making corrections to the final rule published on Tuesday, December 19, 2000 (65 FR 79582). The final rule redesignated former § 773.13 as § 773.6. In amendingatory language revising a cross-reference contained in the newly designated paragraph § 773.6(a)(3)(i), we made a typographical error by citing the paragraph as "§ 773.5(a)(3)(ii)." The instruction should have read "newly designated § 773.6(a)(3)(i)."

The final rule also redesignated former paragraph § 773.15(d) as section § 773.16. Former paragraph § 773.15(d) began with the paragraph heading “Performance bond submittal.” Inadvertently, we failed to instruct the Federal Register to delete the paragraph heading for § 773.15(d) and to use it as the section heading for § 773.16.

Accordingly, the publication on December 19, 2000, of the final rule which was the subject of FR Doc. 00–32002, is corrected as follows:

§ 773.6 [Corrected]

1. On page 79663, in the third column, in amendatory instruction number 12, the citation to "§ 773.5(a)(3)(ii)" is corrected to read "§ 773.6(a)(3)(i)."

§ 773.16 [Corrected]

2. On page 79663, in the second column, amendatory instruction number 10 is corrected by adding the following redesignation in sequential order to the table to read as follows:

<table>
<thead>
<tr>
<th>Section</th>
<th>Is redesignated as</th>
</tr>
</thead>
</table>
| 773.15(d), paragraph | 773.16, section heading.

Acting Assistant Secretary, Land and Minerals Management.
