

following standards: (1) A "page" is 8 1/2" x 11" (one side only) with one-inch margins (top, bottom and sides).

(2) All text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs, must be double-spaced (no more than three lines per vertical inch).

If using a proportional computer font, use no smaller than a 12-point font, and an average character density no greater than 18 characters per inch. If using a nonproportional font or a typewriter, do not use more than 12 characters to the inch.

The page limit does not apply to the cover sheet; the budget section (including the narrative budget justification); the assurances and certifications; or the one-page abstract, appendices, resumes, bibliography, and letters of support. However, all of the application narrative addressing the selection criteria must be included in the narrative section. If, in order to meet the page limit, you use print size, spacing, or margins smaller than the standards specified in this notice, your application will not be reviewed or considered for funding.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 85, 97, 98, and 99.

Priorities

Invitational Priorities

While applicants may propose any project within the scope of section 9121 of Title IX of the Elementary and Secondary Act of 1965, as amended (the Act), the Secretary is particularly interested in applications that meet the following invitational priorities. However, an application that meets one or more of the invitational priorities does not receive competitive or absolute preference over other applications.

Invitational Priority 1—School readiness projects that provide age appropriate educational programs and language skills to three- and four-year old Indian students to prepare them for successful entry into school at the kindergarten school level.

Invitational Priority 2—Early childhood and kindergarten programs, including family-based preschool programs, that emphasize school readiness and parental skills.

Competitive Preference

(1) In making multiyear grants under this program, the Secretary will award five (5) additional points to applications

that present a plan for combining two or more of the activities described in Section 9121(c) of the Act over a period of more than one year.

Authority: Section 9121 of the Act; 20 U.S.C. 7831(d)(1)(B).

(2) In making grants under this program, the Secretary will award five (5) additional points to applications submitted by Indian tribes, Indian organizations, and Indian institutions of higher education, including a consortium of any of these entities with other eligible entities. An application from a consortium of eligible entities that meet the requirements of 34 CFR 75.127 through 75.129 and includes an Indian tribe, Indian organization, or Indian institution of higher education shall be considered eligible to receive the five (5) additional priority points. The written consortium agreement must be submitted with the application. The agreement must be signed or the applicant must submit other evidence that all the members of the consortium agree to the contents of the agreement. Letters of support do *not* meet the consortium requirements. The Secretary rejects and does not consider an application that does not meet these requirements.

Authority: Section 9153 of the Act; 20 U.S.C. 7873.

Selection Criteria

The selection criteria are included in full in the application package for this competition. These selection criteria were established based on the regulations for evaluating discretionary grants found in 34 CFR 75.200 through 75.210.

Indian Education Formula Grants to Local Educational Agencies

AGENCY: Office of Elementary and Secondary Education, Office of Indian Education.

ACTION: Notice inviting applications for new and continuation awards for fiscal year (FY) 2001, Indian Education Formula Grants to Local Educational Agencies.

SUMMARY:

Purpose: The Indian Education Formula Grant program provides grants to support local educational agencies in their efforts to reform elementary and secondary school programs that serve Indian students. The programs funded are to be based on challenging State content standards and State student performance standards used for all students, and be designed to assist Indian students to meet those standards.

Eligible Applicants: Local educational agencies (LEAs) and certain schools funded by the Bureau of Indian Affairs, and Indian tribes under certain conditions.

Deadline for Transmittal of Applications: May 21, 2001.

Applications not meeting the deadline will not be considered for funding in the initial allocation of awards. However, if funds become available after the initial allocation of funds, applications not meeting the deadline *may* be considered for funding if the Secretary determines under section 9117(d) of the Elementary and Secondary Education Act of 1965, as amended, that reallocation of those funds to late applicants would best assist in advancing the purposes of the program. However, the amount and date of an individual award, if any is made under this provision, *may* be less than the applicant would have received had the application been submitted on time.

Application Procedures

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Pilot Project for Electronic Submission of Applications

The U.S. Department of Education is expanding its pilot project of electronic submission of applications to include certain formula grant programs, as well as additional discretionary grant competitions. The Indian Education Formula Grants to Local Educational Agencies, CFDA 84.060A, is one of the programs included in the pilot project. If you are an applicant under the Indian Education Formula Grants to Educational Agencies, you may submit your application to us in either electronic or paper format.

Note: Due to the Department's process for making awards to the Bureau of Indian

Affairs (BIA), e-APPLICATION is not able to accept applications from schools directly operated by the BIA at this time. The Department hopes that in the future the software will be enhanced to accommodate BIA-operated schools. For more information on application procedures for BIA-operated schools, please contact the Office of Indian Education at 202-260-3774.

The pilot project involves the use of the Electronic Grant Application System (e-APPLICATION, formerly e-GAPS) portion of the Grant Administration and Payment System (GAPS). We request your participation in this pilot project. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in this e-APPLICATION pilot, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value or penalty because you submit a grant application in electronic or paper format.
- You can submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

• Fax a signed copy of the Application for Federal Assistance (ED 424), a completed Indian Student Count—LEA Total form, and a signed Parent Committee Approval form after following these steps:

1. Print the ED 424, Indian Student Count—LEA Total form, and Parent Committee Approval form from the e-APPLICATION system.
2. Make sure that the institution's Authorizing Representative signs the ED 424 and Indian Student Count—LEA Total form.
3. Obtain the signature(s) of the Parent Committee on the Parent Committee Approval form. (Note: Schools funded by the Bureau of Indian Affairs and Tribal applicants are not required to complete the Parent Committee Approval form.)

4. Before faxing these forms, submit your electronic application via the e-APPLICATION system. You will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

5. Place the PR/Award number in the upper right hand corner of ED 424.

6. Fax the ED 424, Indian Student Count—LEA Total form, and Parent Committee Approval form (if applicable) to Cathie Martin, Office of Indian Education at (202) 260-7779 within three working days of submitting your electronic application.

• We may request that you give us original signatures on all other forms at a later date.

You may access the electronic grant application for the Indian Education Formula Grants to Local Educational Agencies at: <http://e-grants.ed.gov>.

We have included additional information about the e-APPLICATION pilot project (see Parity Guidelines between Paper and Electronic Applications and Transmittal Instructions) in the application.

Note: Your e-APPLICATION must be submitted through the Internet using the software provided on the e-Grants Web Site (<http://e-grants.ed.gov>) by 4:30 p.m. (Washington, DC time) on the deadline date. All e-APPLICATION submissions that are attempted after that time on the closing date will not be accepted. Applicants that miss the e-APPLICATION submission time must print out their entire application (an original and two copies) and transmit hard copies of the application, following the transmittal procedures for mail or hand delivery, not later than midnight of the closing date. As no late e-APPLICATIONS are accepted, please note that the policy for possible funding of late applications (discussed elsewhere in this Notice) applies solely to hard copy applications.

This notice implements section 117 of the Carl D. Perkins Vocational and Technical Education Act of 1998 (Pub. L. 105-332), enacted October 31, 1998. Section 117 authorizes the Secretary to award grants to tribally controlled postsecondary vocational and technical institutions to operate vocational and technical education programs.

The 1998 amendments to the Perkins Act changed many of the requirements applicable to the TCPVTIP. Former grant recipients under the Tribally Controlled Postsecondary Vocational Institutions Program will find that the changes brought about by the 1998 amendments are likely to have a noticeable impact on how tribal postsecondary institutions must now operate projects.

The following summary is intended to help potential applicants to become
