

order on EMD from Japan would not be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. Therefore, because the order was revoked on May 31, 2000, as a result of the ITC's determination, with an effective date of January 1, 2000, no deposit requirements are effective for shipments entered, or withdrawn from warehouse, for consumption on or after January 1, 2000.

Final Results of Review

We have determined that a weighted-average margin of zero percent exists for Tosoh for the period April 1, 1999, through December 31, 1999. The Department shall determine, and the U.S. Customs Service (Customs) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b), we have calculated exporter/importer-specific assessment rates. We will direct Customs to liquidate affected entries during the review period at a rate of zero percent.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 16, 2001.

Timothy J. Hauser,

Acting Under Secretary for International Trade.

Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China: Extension of Time Limit for Preliminary Results of New Shipper Antidumping Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Extension of Time Limit for Preliminary Results of New Shipper Antidumping Review.

EFFECTIVE DATE: March 26, 2001.

FOR FURTHER INFORMATION CONTACT: Jeff Pedersen at (202) 482-4195 or Ron Trentham at (202) 482-6320, Office of AD/CVD Enforcement, Group II, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (2000).

Background

On July 20, 2000, the Department received a request from Shandong Jinma Industrial Group Co., Ltd. to conduct a new shipper review of the antidumping order on heavy forged hand tools from the People's Republic of China. On October 6, 2000, the Department published its initiation of this new shipper review covering the period of February 1, 2000 through July 31, 2000 (65 FR 59824). The preliminary results are currently due no later than March 27, 2001.

Extension of Time Limit for Preliminary Results of Review

Section 351.214(i)(1) of the Department's regulations requires the Department to make a preliminary determination within 180 days after the date on which the new shipper review was initiated. However, if the Secretary concludes that a new shipper review is extraordinarily complicated, under § 351.214(i)(2) of the Department's regulations the Secretary may extend the 180-day period to 300 days.

We determine that this new shipper review is extraordinarily complicated. Therefore the Department is extending the time limit for completion of the preliminary results until no later than July 25, 2001. See Decision Memorandum from Thomas F. Futtner to Holly A. Kuga, dated concurrently with this notice, which is on file in the Central Records Unit, Room B-099 of the main Commerce building.

This extension is in accordance with section 751(a)(3)(A) of the Act, as

amended, and § 351.214(i)(2) of the Department's regulations.

Dated: March 20, 2001.

Holly A. Kuga,

Acting Deputy Assistant Secretary for Import Administration.

Certain Preserved Mushrooms From India: Notice of Extension of Time Limit for Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, United States Department of Commerce.

EFFECTIVE DATE: March 26, 2001.

FOR FURTHER INFORMATION CONTACT:

David J. Goldberger, Kate Johnson, or Dinah McDougall at (202) 482-4136, (202) 482-4929, or (202) 482-3773, respectively, Office of AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC, 20230.

Postponement of Final Results of Administrative Review

The Department of Commerce ("the Department") published the preliminary results of the administrative review of the antidumping duty order on Certain Preserved Mushrooms from India on March 8, 2001 (66 FR 13896). The current deadline for the final results in this review is July 6, 2001. In accordance with section 751(a)(3)(A) of the Tariff Act of 1930 ("the Act"), as amended, the Department finds that it is not practicable to complete this administrative review within the original time frame due to the fact that one of the verifications was not completed until shortly before the preliminary results and the verification report was not released until after the preliminary results. In addition, one of the respondents retained new counsel and has requested additional time to prepare for the final arguments in this review. Thus, the Department is extending the time limit for completion of the final results until August 6, 2001, which is 151 days after the date on which notice of the preliminary results was published in the **Federal Register**.

Dated: March 19, 2001.

Richard W. Moreland,

Deputy Assistant Secretary for Import Administration.

Applications for Duty-Free Entry of Scientific Instruments

Pursuant to section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be filed within 20 days with the Statutory Import Programs Staff, U.S. Department of Commerce, Washington, DC 20230. Applications may be examined between 8:30 a.m. and 5:00 p.m. in Room 4211, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC.

Docket Number: 01-006. Applicant: University of Wisconsin-Madison, 750 University Avenue, A.W. Peterson Building, Madison, WI 53706.

Instrument: Photoelectron Emission Microscope, Model PEEM III.

Manufacturer: ELMITEC Elektronenmikroskopie, Germany.

Intended Use: The instrument is intended to be used in conjunction with a synchrotron x-ray source to perform spatially resolved element and chemical state analysis. In addition, the instrument will be used to study a wide range of specimen types, including biological specimens and material science samples. Specific experimental projects will include:

(1) Gadolinium neutron capture therapy for brain cancer—detect and map the uptake of Gd containing drugs in cancer cells and tissue, hence directly test the efficacy of potential anti-cancer drugs before clinical trials,

(2) Geomicrobiology—investigate the chemical mechanisms which allow microorganisms to interact with and gain energy from the environment which occurs at a sub micron scale, and

(3) Colossal magnetoresistive materials—verifying or refuting a number of theories that predict unusual behavior of electrons in the manganate series of these materials.

Application accepted by Commissioner of Customs: March 1, 2001.

Docket Number: 01-007. Applicant: University of Wisconsin-Madison, 750 University Avenue, A.W. Peterson Building, Madison, WI 53706.

Instrument: Sample Preparation Chamber with accessories.

Manufacturer: ELMITEC Elektronenmikroskopie, Germany.

Intended Use: The instrument is intended to be used for studies of spatially resolved x-ray absorption techniques for chemical analysis of complex biological, environmental and materials science specimens. The principal experiments are: (1) Investigation of the uptake of gadolinium containing drugs in tumor cells and tissue for novel cancer therapies, (2) geomicrobiology—the chemical interactions between microorganisms and mineral environments and (3) investigation of the electronic behavior of colossal magnetoresistant manganates. In addition, the instrument will be used to demonstrate microchemical analysis through x-ray absorption spectromicroscopy in a graduate level course on physical techniques in biophysics. Application accepted by Commissioner of Customs: February 27, 2001.

Docket Number: 01-008. Applicant: Boston College, Department of Physics, 140 Commonwealth Avenue, Chestnut Hill, MA 02467. *Instrument:* Electron Microscope, Model JEM-2010F. *Manufacturer:* JEOL Ltd., Japan.

Intended Use: The instrument is intended to be used to study the microstructure of nano materials such as carbon nanotubes, catalysts for the growth of carbon nanotubes, high temperature superconductors, ceramics, semiconductors. While the instrument will be used primarily for research purposes, it will also be used on a one-on-one basis for training of faculty and graduate students in electron microscopy.

Application accepted by Commissioner of Customs: March 1, 2001.

Gerald A. Zerdy,

Program Manager, Statutory Import Programs Staff.

National Oceanic and Atmospheric Administration

[Docket No. 00121 4351-0351-01]

Announcement of the Call for Applications for the Dr. Nancy Foster Scholarship Program

AGENCY: National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce.

SUMMARY: The U.S. Department of Commerce (DOC) [pursuant to section 18 of Public law 106-513 (S. 1482)] is announcing a Call for Applications for the Dr. Nancy Foster Scholarship Program. The program is administered through the National Oceanic and Atmospheric Administration's National Ocean Service.

DATES: The Call for Applications will run from March 26 through April 22, 2001. Application packages must be postmarked by April 22, 2001 to be eligible for consideration.

ADDRESSES: Dr. Nancy Foster Scholarship Program, Office of the Assistant Administrator, 13th Floor, 1305 East-West Highway, Silver Spring, MD 20910-3281.

FOR FURTHER INFORMATION CONTACT: For further information contact: Joanne Flanders (301) 713-3074.

SUPPLEMENTARY INFORMATION: The purposes of the Dr. Nancy Foster Scholarship Program are: (1) To recognize outstanding scholarship in oceanography, marine biology, or maritime archaeology, including the curation, preservation, and display of maritime artifacts, particularly by women and members of minority groups; and, (2) to encourage independent graduate level research in oceanography, marine biology, or maritime archaeology. Each Dr. Nancy Foster Scholarship shall be used to support graduate studies in oceanography, marine biology, or maritime archaeology at a graduate level institution of higher education; and be awarded in accordance with guidelines issued by the Secretary. These shall be known as Dr. Nancy Foster Scholarships. Program details and application guidelines should be accessed via the Internet: <http://fosterscholars.noaa.gov/>.

Dated: March 21, 2001.

Ted I. Lillestolen,

Deputy Assistant Administrator for Ocean Services and Coastal Zone Management.
