[Docket No. 000211039-0039-01; I.D. 032001B]

Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in the West Yakutat District in the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Modification of a closure.

SUMMARY: NMFS is opening directed fishing for pollock in the West Yakutat District in the Gulf of Alaska (GOA). This action is necessary to fully use the 2001 total allowable catch (TAC) of pollock.

DATES: Effective 1200 hrs, Alaska local time, March 21, 2001.

FOR FURTHER INFORMATION CONTACT: Mary Furuness, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The amount of the 2001 pollock TAC in the West Yakutat District of the GOA was established as 2,235 metric tons by the Final 2001 Harvest Specifications and Associated Management Measures for the Groundfish Fisheries Off Alaska (66 FR 7276, January 22, 2001).

NMFS closed the directed fishery for pollock in the West Yakutat District of the GOA under § 679.20(d)(1)(iii) on March 15, 2001 (66 FR 15359, March 19, 2001).

NMFS has determined that currently, approximately 500 mt remain in the directed fishing allowance. Therefore, NMFS is terminating the previous closure and is opening directed fishing for pollock in the West Yakutat District of the GOA.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA, finds that the need to immediately implement this action to allow full use of the pollock TAC constitutes good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(3)(B) and 50 CFR 679.20(b)(3)(iii)(A), as such procedures would be unnecessary and contrary to the public interest. Similarly, the need to implement these measures in a timely fashion to allow full use of the pollock TAC constitutes good cause to find that the effective date of this action cannot be delayed for 30 days. In addition, this action relieves a restriction on the harvest of pollock in the West Yakutat District of the Gulf of Alaska. Accordingly, under 5 U.S.C. 553(d), a delay in the effective date is hereby waived.

This action is required by § 679.20 and is exempt from review under E.O. 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: March 21, 2001.

Bruce C. Morehead,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
